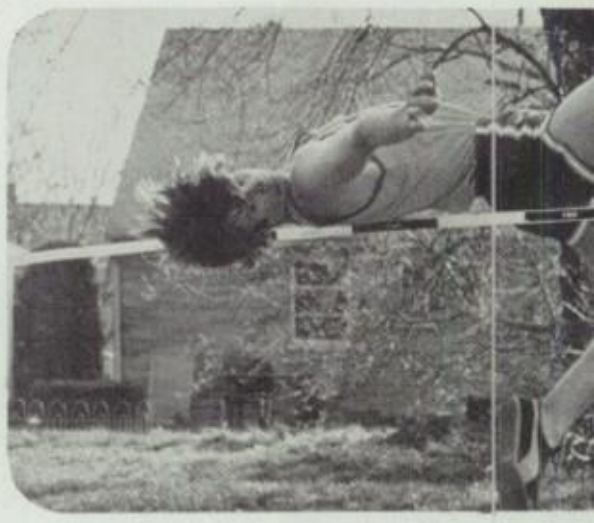
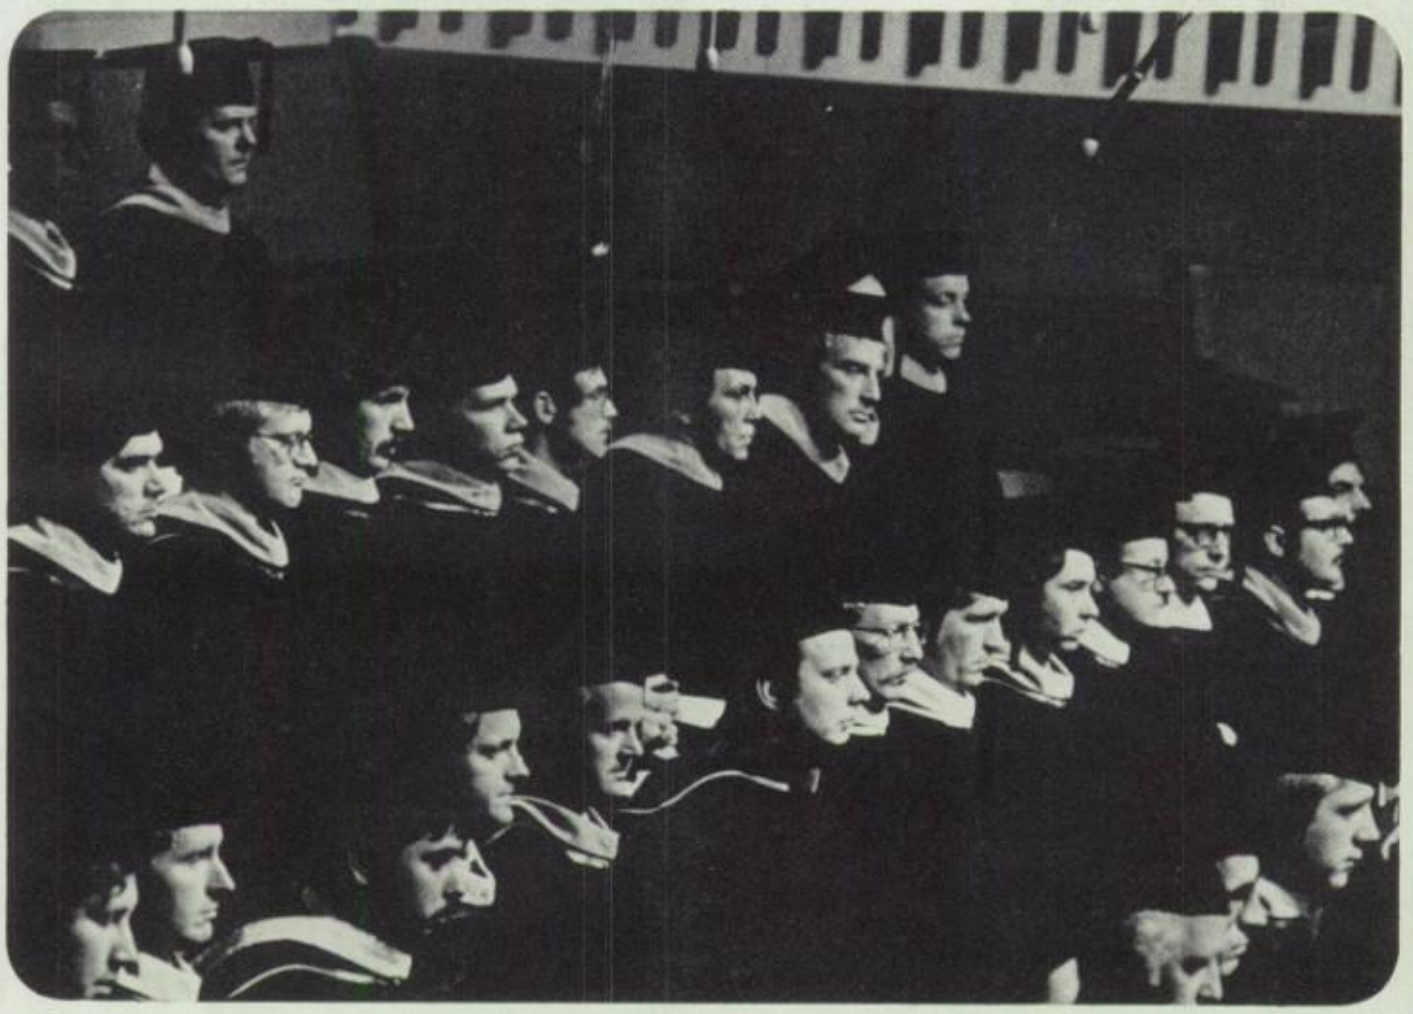
Dedication

THE GREAT PAPER TIME MACHINE . . . What follows in these pages is truly a trip into an age which has forever been captured. The time frozen is a single school year: 1975-1976. Yet, what has been captured is part of our lives which we can never return to, but which forever will be remembered. This Time Machine is made of fragile pictures and print, but what it holds are special memories of a place and an experience that once was so much an important part of our lives. So come and see it like it was!

The Machine has the power to help us remember with a simple



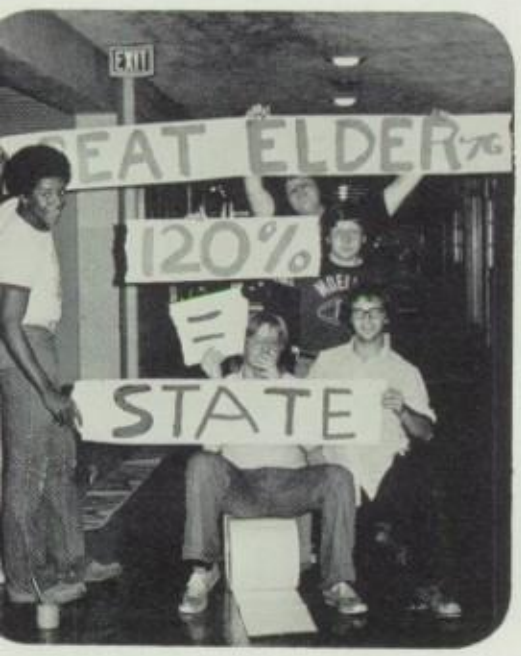


STATE

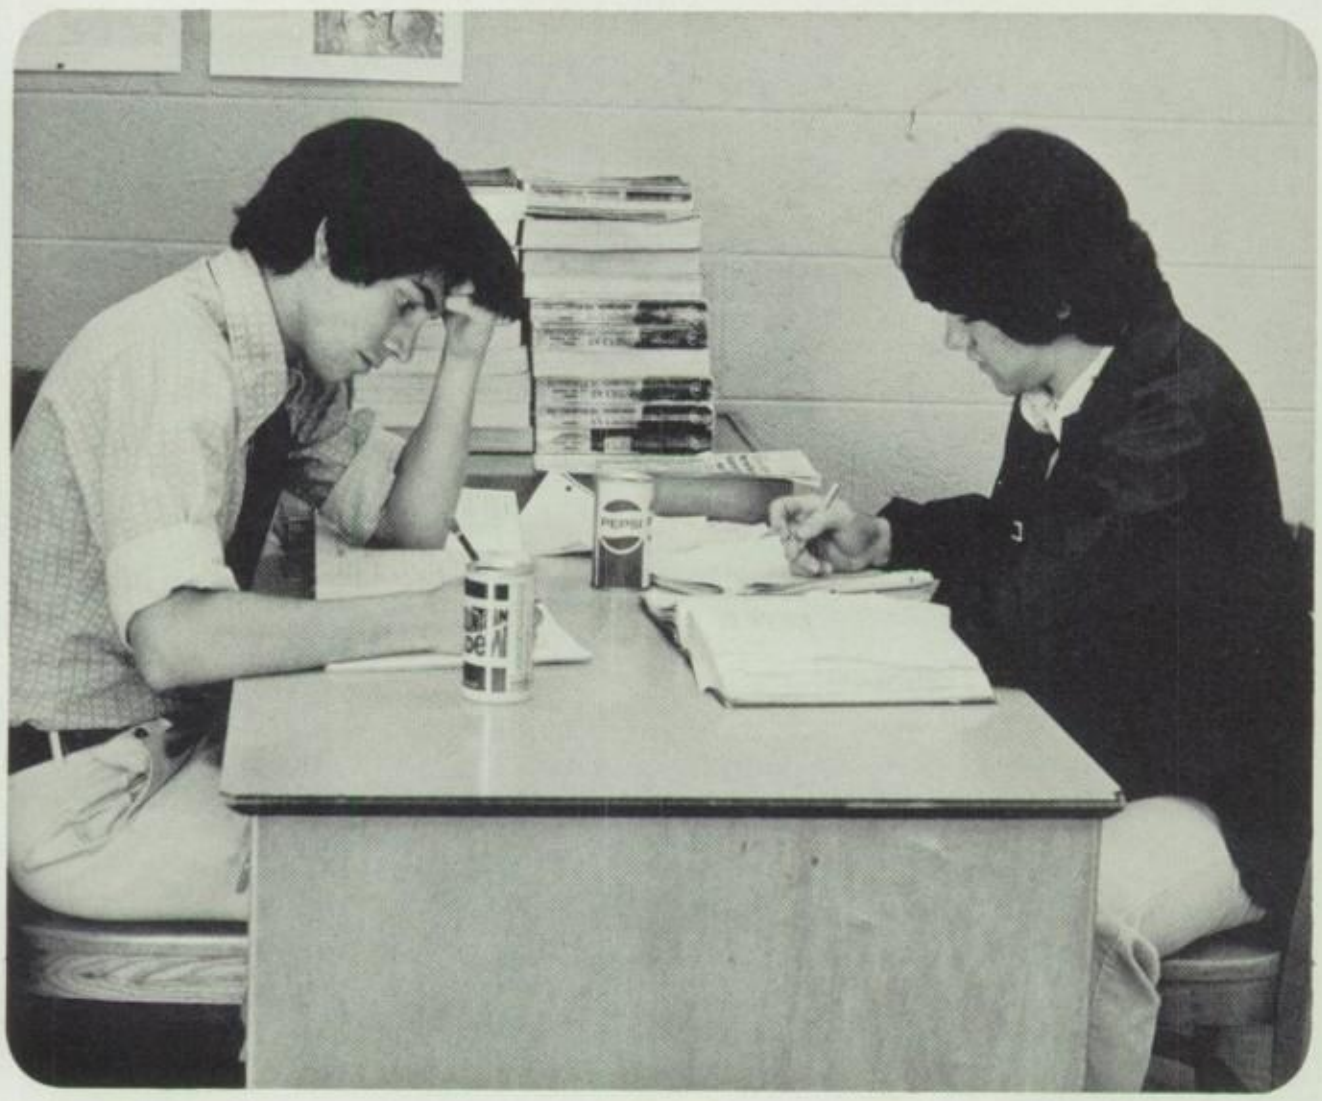
glance how we once looked but shall never look again. We can look for ourselves in the crowds in the stands or on the stairs or in the teams and clubs that once took so much of our time and effort and gave us so much laughter or a trophy or a letter that we now wear or have stored long ago.

Think of the people the Machine will show us who have been so much an influence on our lives. Look for those that the Machine has frozen ever young and forgotten in our memories. The coach who influenced us so deeply that his words now have often become our own. The dean who questioned us about our mistakes, yet always allowed us to know that no matter what, we still were alright by his standards. The teacher who taught us and shared with us many a story and moment in his life. Or the teacher who mistrusted or caught us and gave us a lasting remembrance of our error. And the "Boys" with whom we talked, joked and cramed for a test together.

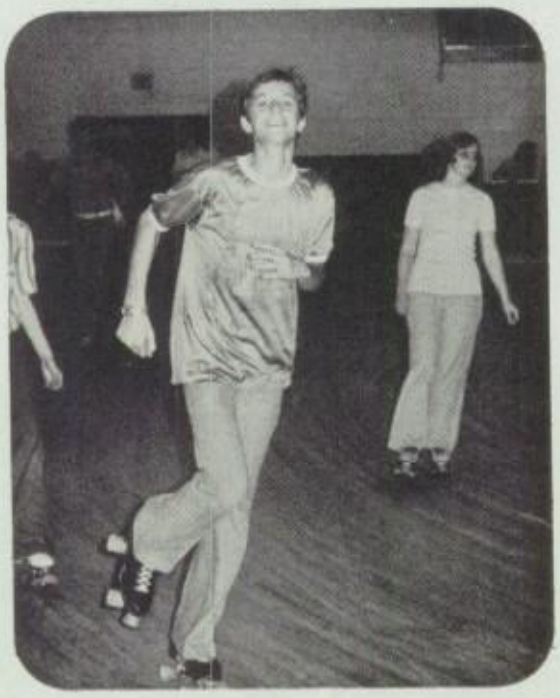
The Time Machine will then get more specific and show the year '75-'76 in all its uniqueness. The twelve weeks of excitement called football season where we rallied and traveled to watch a small team spirit its way into a state championship. The Time Machine will print for us a Homecoming where no one saw all the floats but the Machine itself. We will travel to watch a basketball team give new life to the Moeller gym as they



EXIT
EAT ELDER
120%
STATE



go to the City Finals. We will repicture special days when our classroom routine was broken by an assembly. The days we sharpened our memories or listened and danced to a Marydale Song. We see the time we rocked on or boogied on down to a sound from around the country. Or the concert and plays where THE MISER stole our heart and warmed our sides with laughter or we took a visit to OUR TOWN.



We relive in a moment all the anticipation of the special day when we picked up corsages and dressed our finest to accompany someone still special to us or now long forgotten to the "New Horizon". We will see the warm summer-like day when we marched to All Saints for the last time to thank Him Who made the years all possible. We will see the evening where we received our final goodbye from a place that we couldn't believe we were finally leaving. We shall see many friends who shared so much a part of our lives that they will never be just a picture in this Time Machine.

We, the Templar staff, hope you will look back on this frozen time that follows with all the special fondness that is caused by a person or place that once meant so much to us, but for a time we allowed to slip away. We dedicate all that follows to all of you who made up the journey that made Moeller what it was!

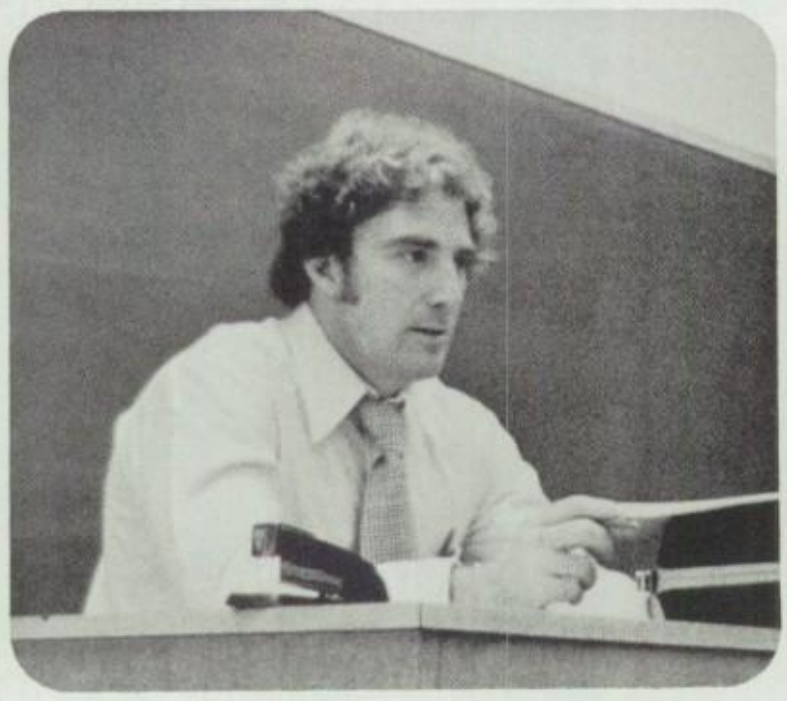
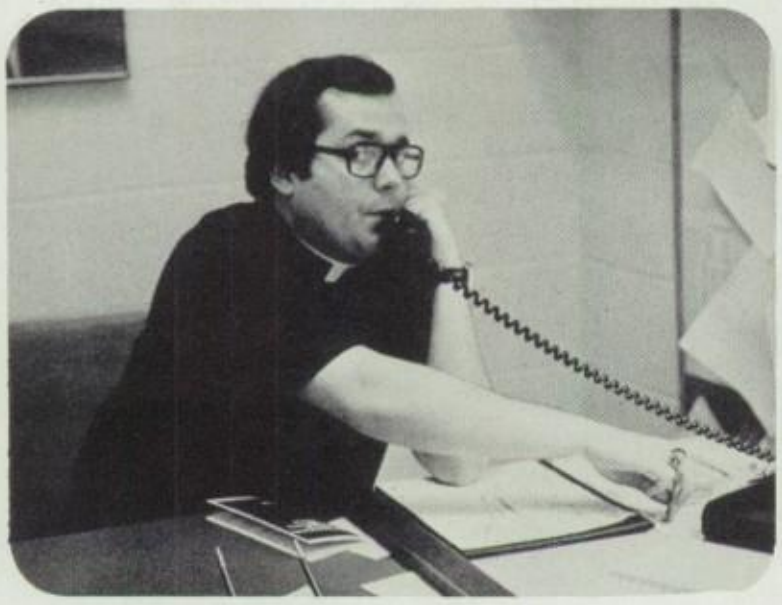
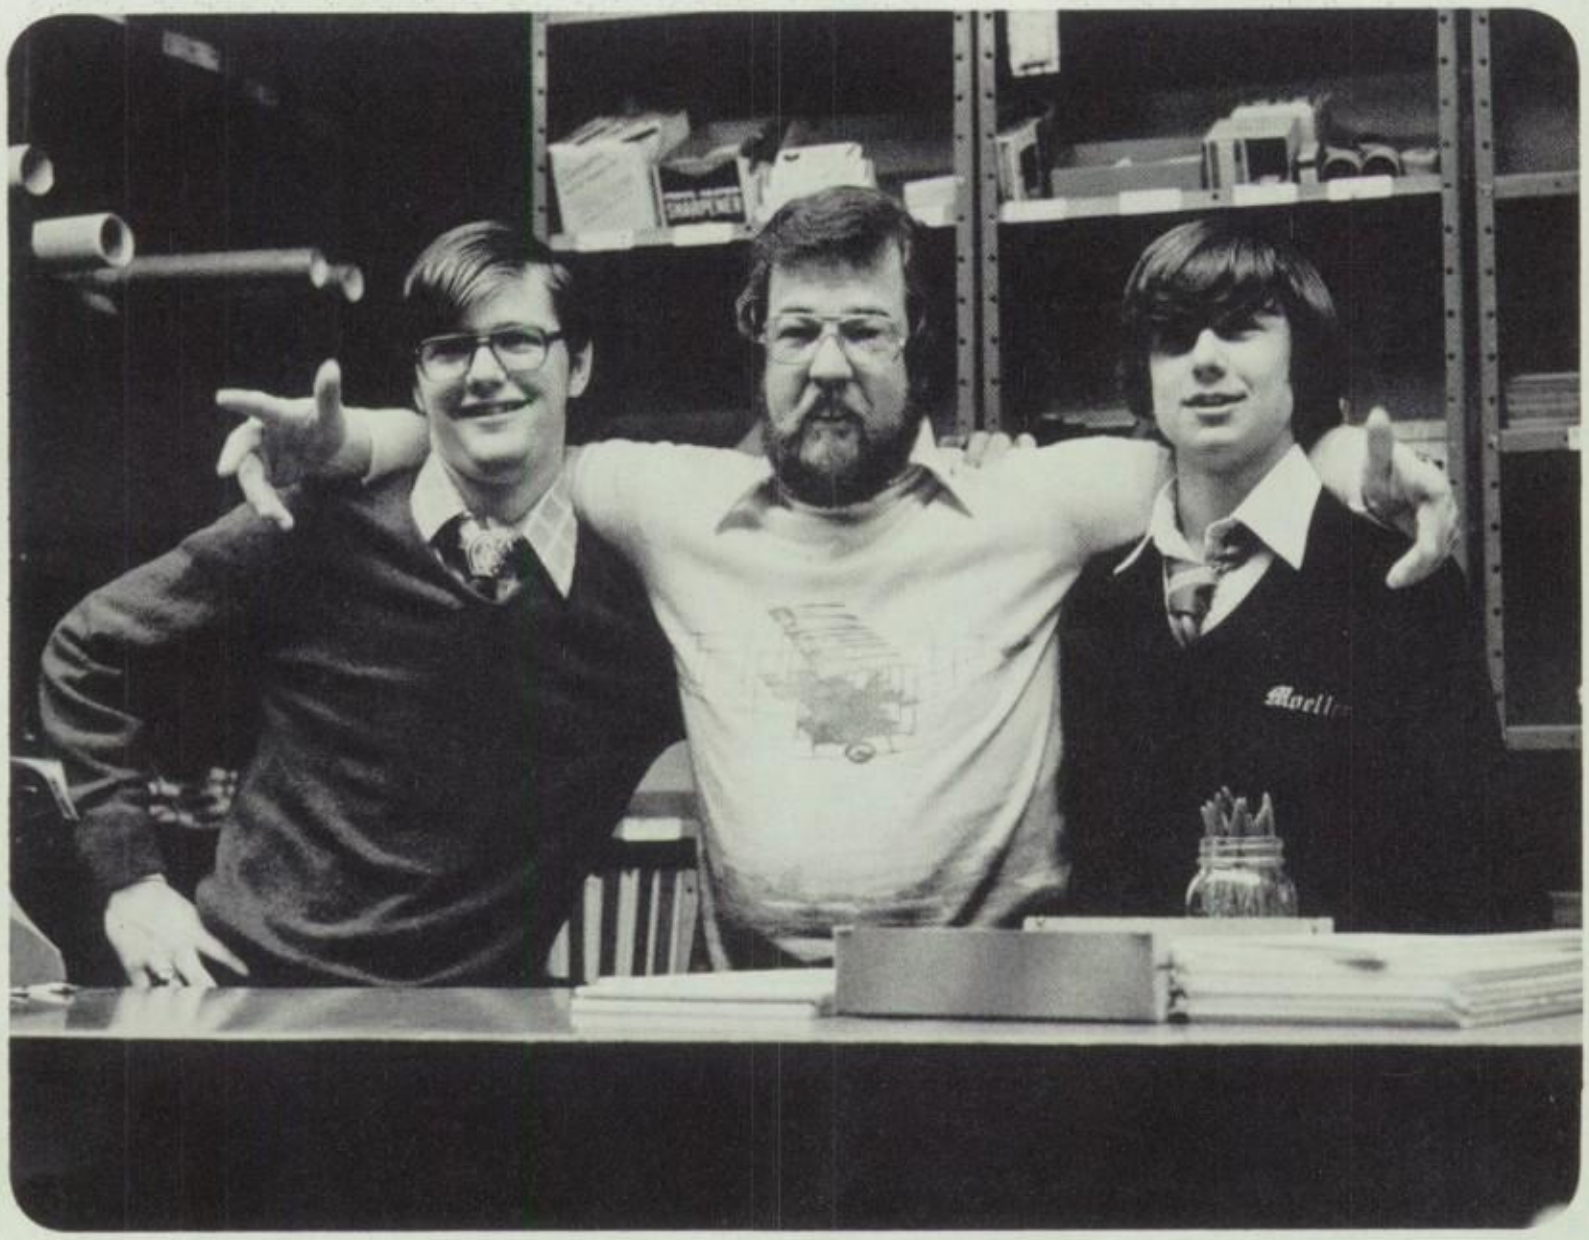
FACULTY



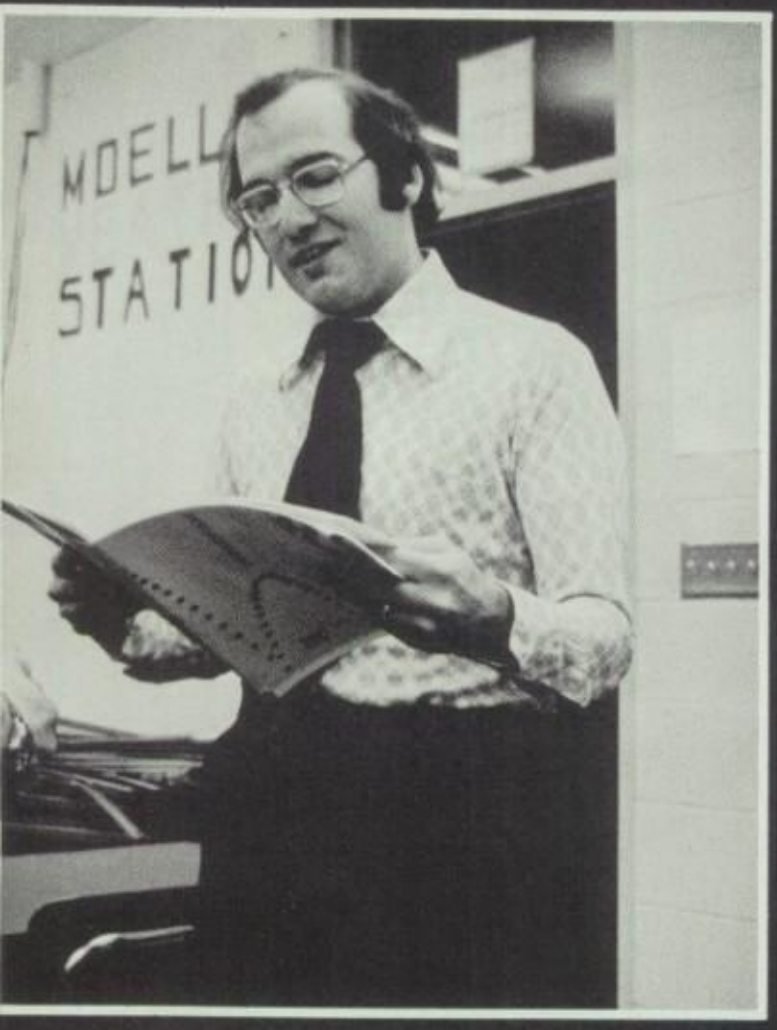


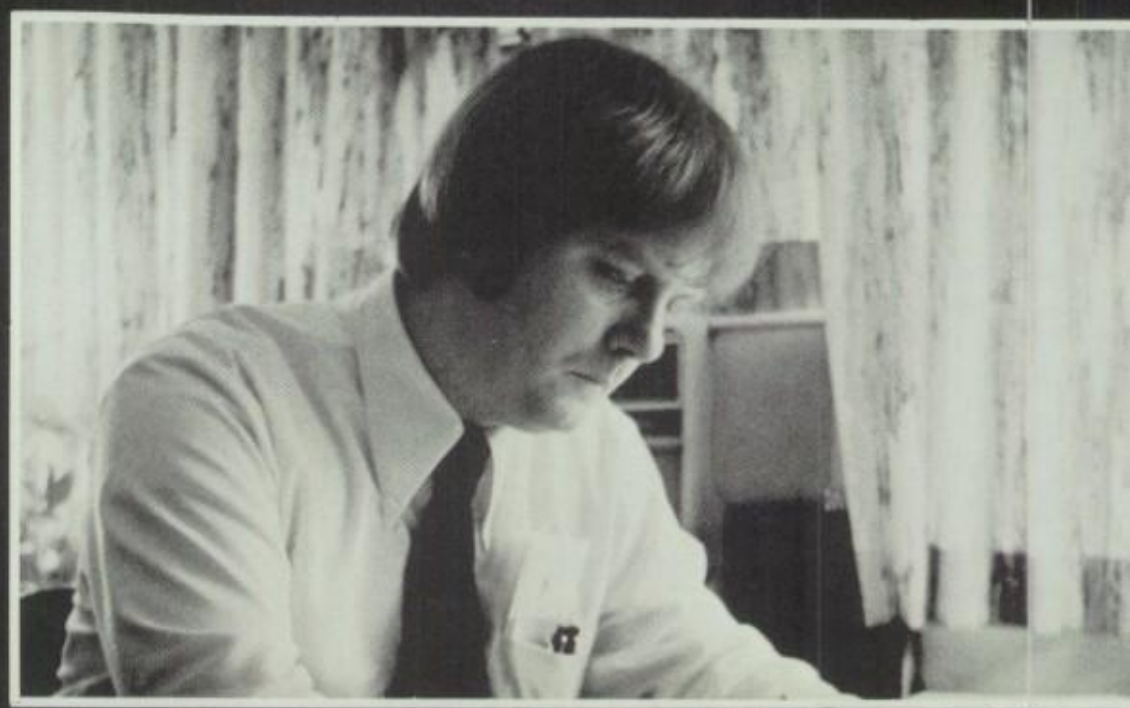


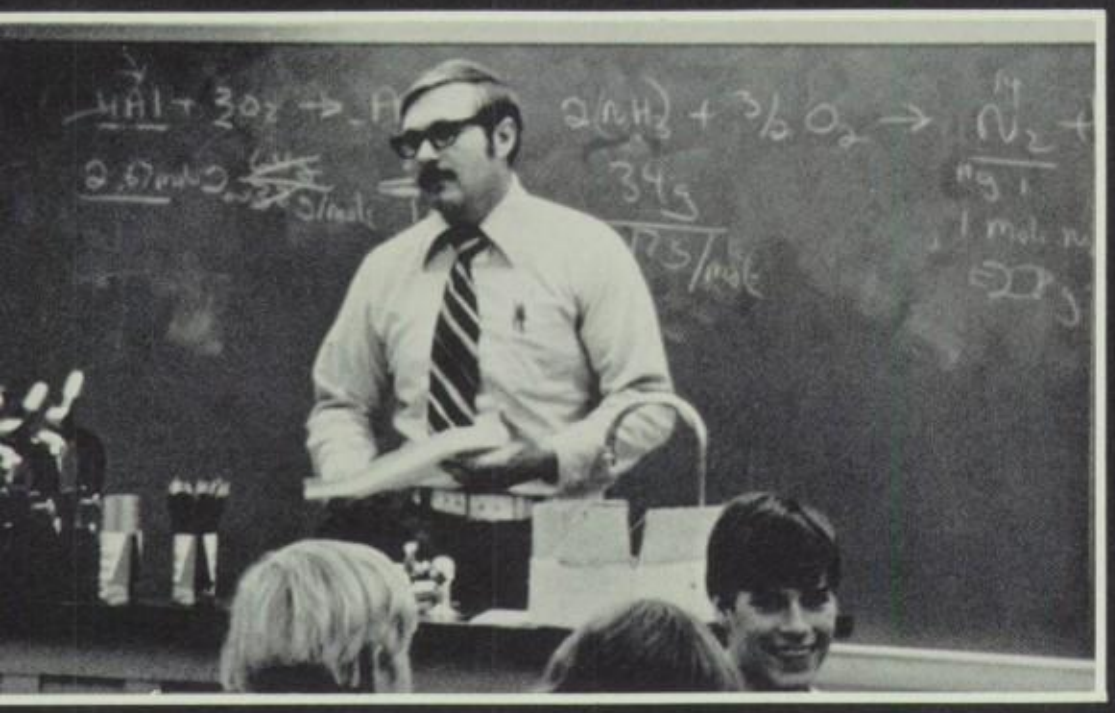
Faculty

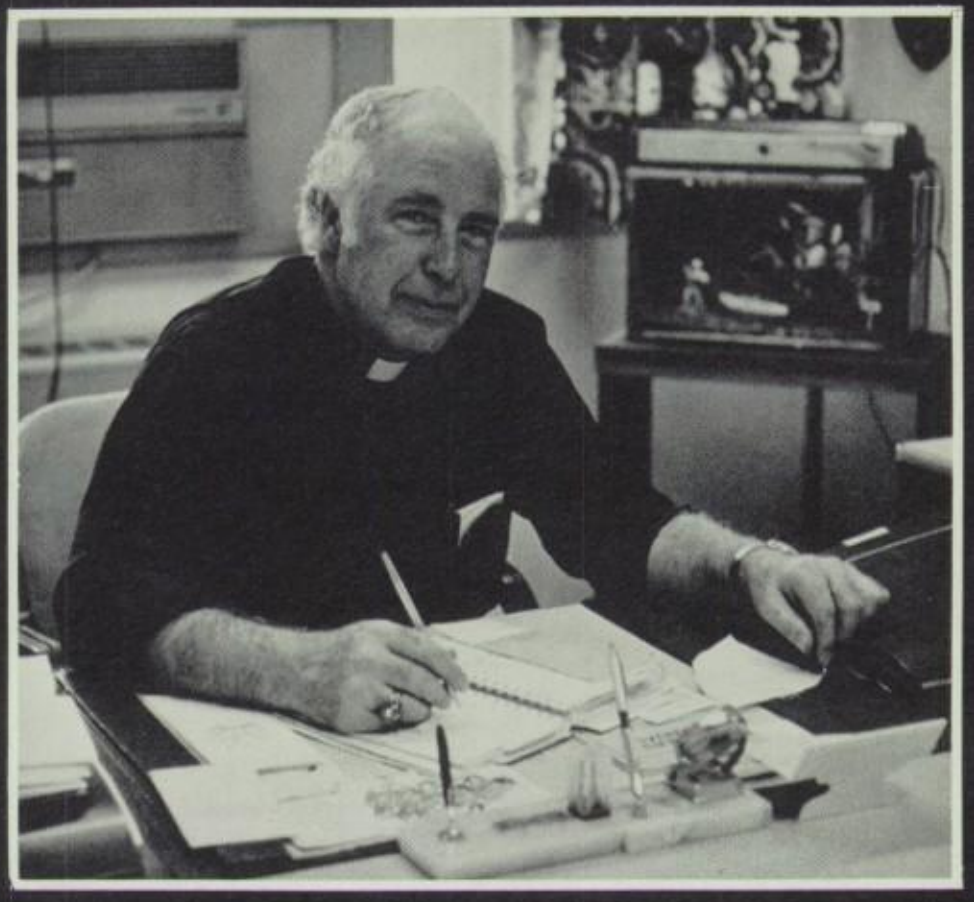
The Administration of Moeller High School this year intensified its goals of providing for the school's growth. These objectives were accomplished under the leadership of Father Lawerence R. Krusling. To aid him in achieving his desired goals, Father drew on the capabilities of Mr. Ronald E. Riemen and Father Robert A. Marine. With the '75-'76 academic year a familiar face was added to the administration. Brother John R. Habjan, S.M., assumed the responsibilities of Assistant Principal — Dean of Academics. Bro. Habjan, along with the members of the Academic Council spent the '75-'76 academic year preparing departmental philosophies as well as curriculum guides

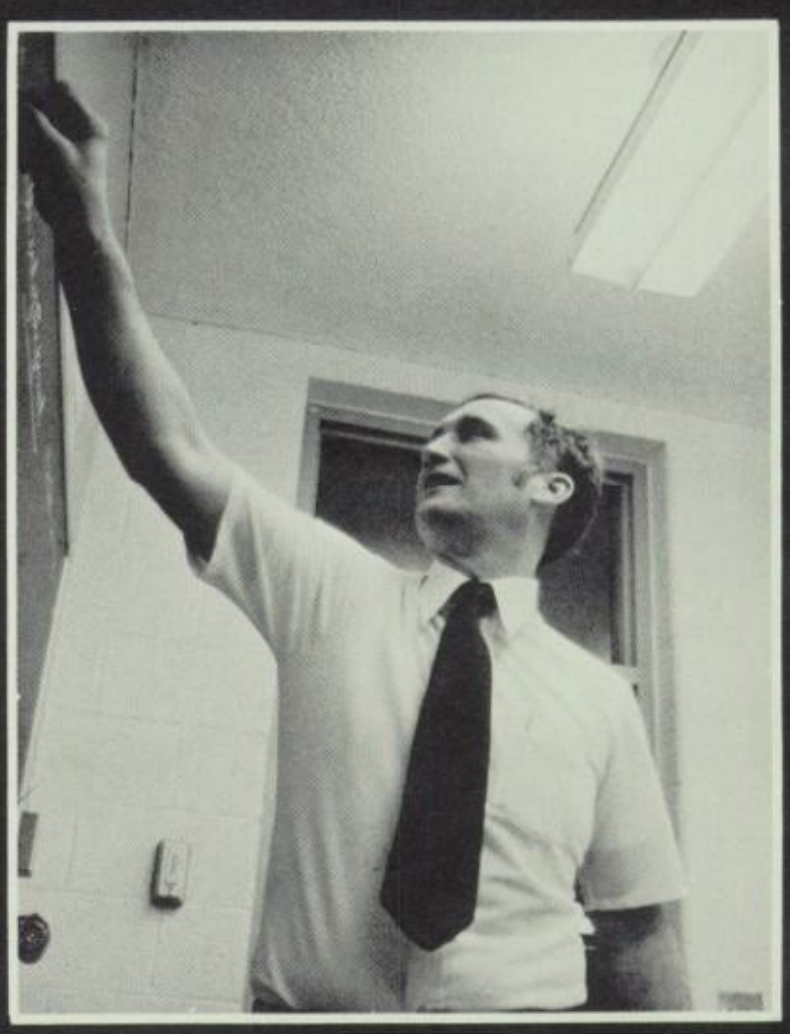
CLOCKWISE: FR. MARINE, Dean of Students; MR. CRONE, German, English, Moderator "It's Academic"; MR. BORMAN, Chairman Science Department, Chemistry, Physical Science, Human Anatomy; FR. KRUSLING, Principal, Moderator Mother's Club, Notary Public; MR. FAUST, Director of Athletics, Typing, Moderator Spirit Club, Athletic Booster Club, Supervisor Cafeteria; BRO. HABJAN, Assistant Principal, Dean of Academics; MR. MASSARELLA, Chairman English Department, Humanities, Moderator "Squire Magazine"; BRO. FLAHERTY, Director of Guidance, Alumni Moderator, Counseling, Moderator Student Government; MR. RIEMAN, Assistant Principal, Treasurer, Business Manager, Plant Engineering, Public Relations Publication, Moderator Dad's Club; MR. ROVITO, Chairman Math Department, Physics, Mathematics, Assistant Basketball Coach.

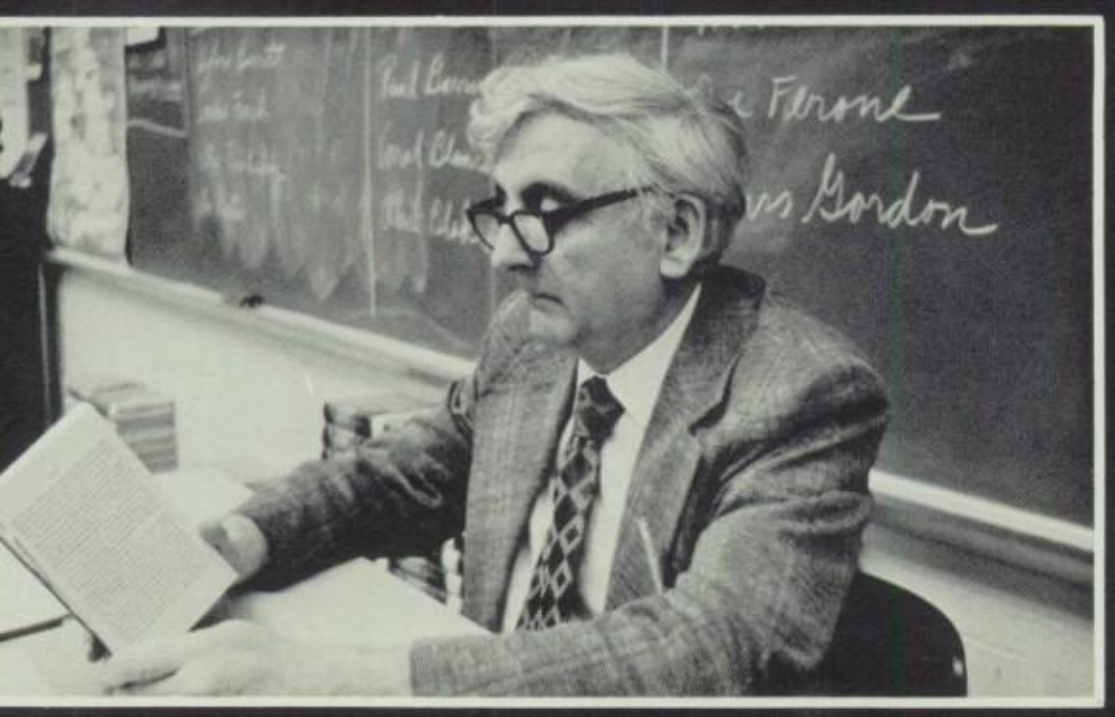


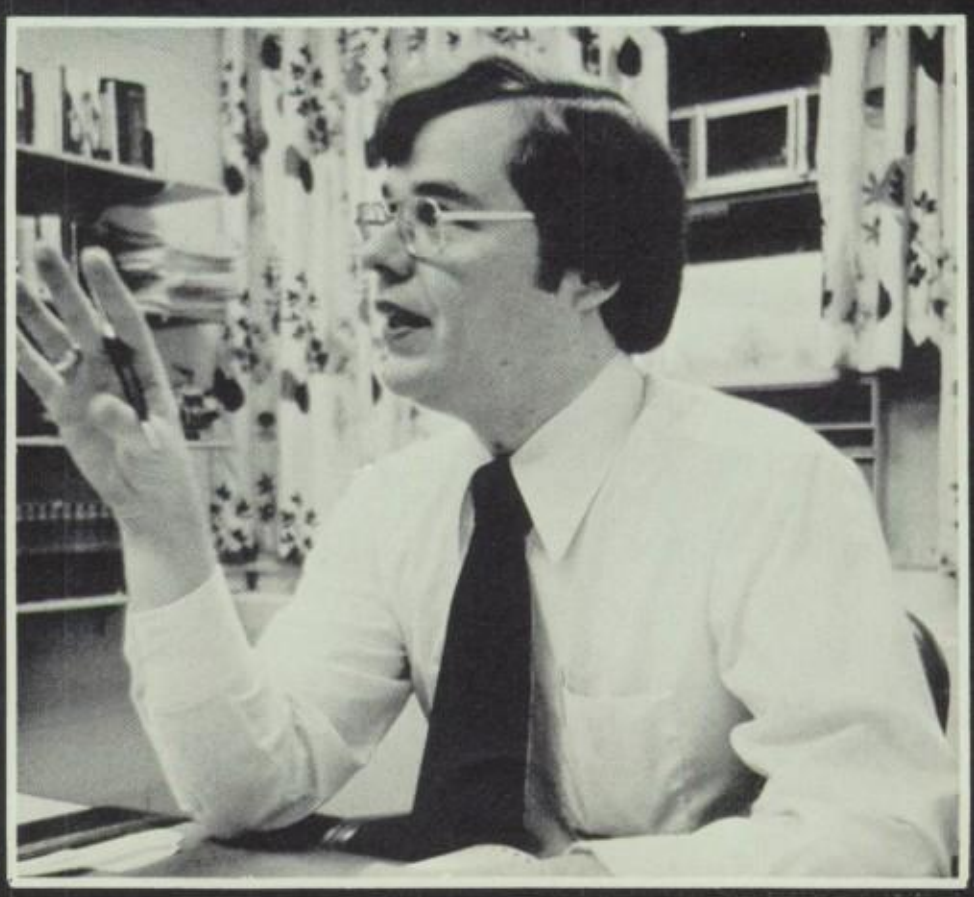


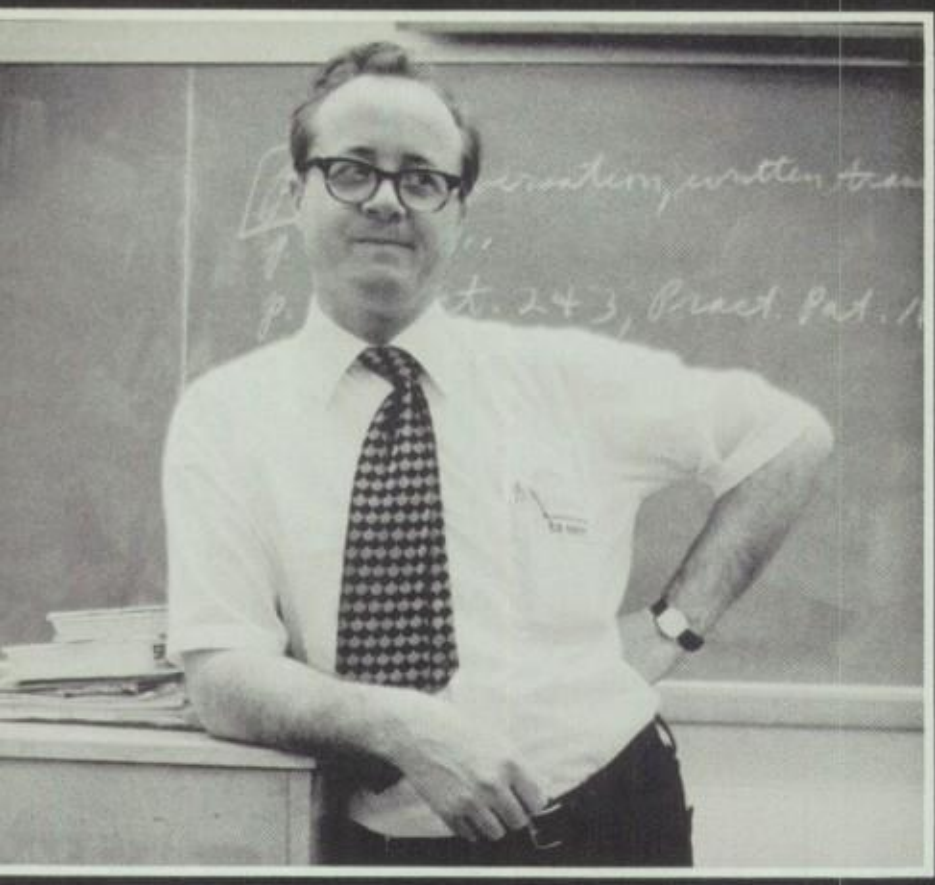








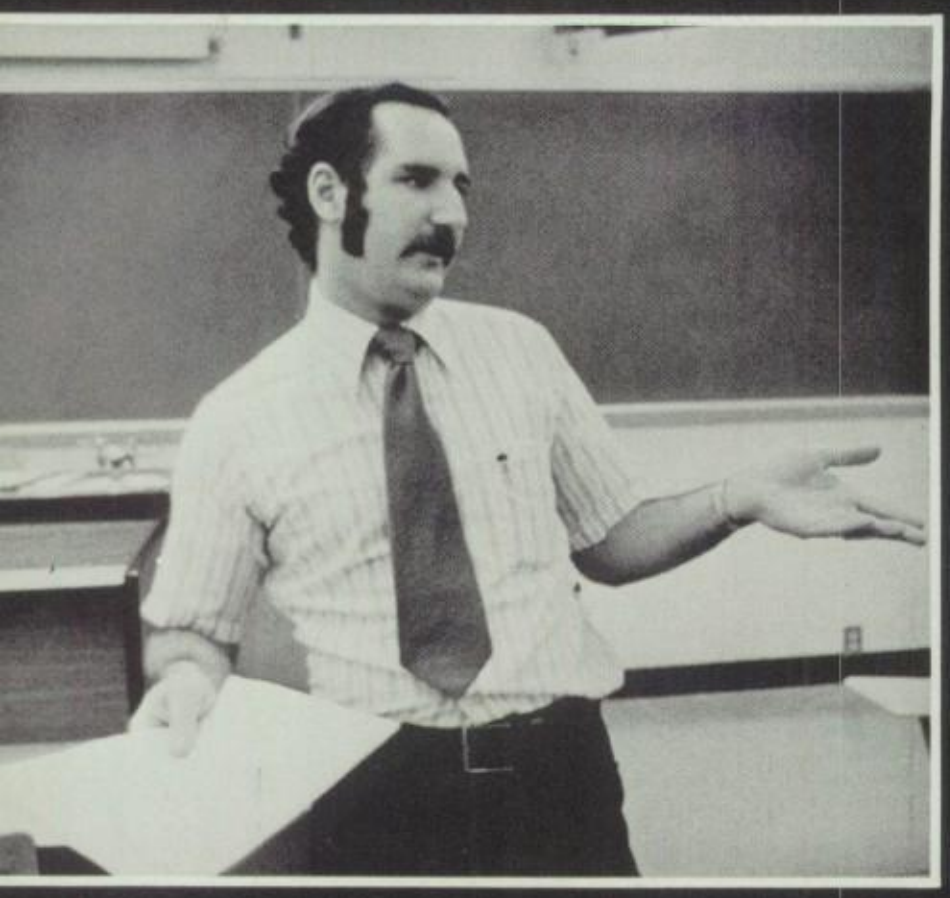


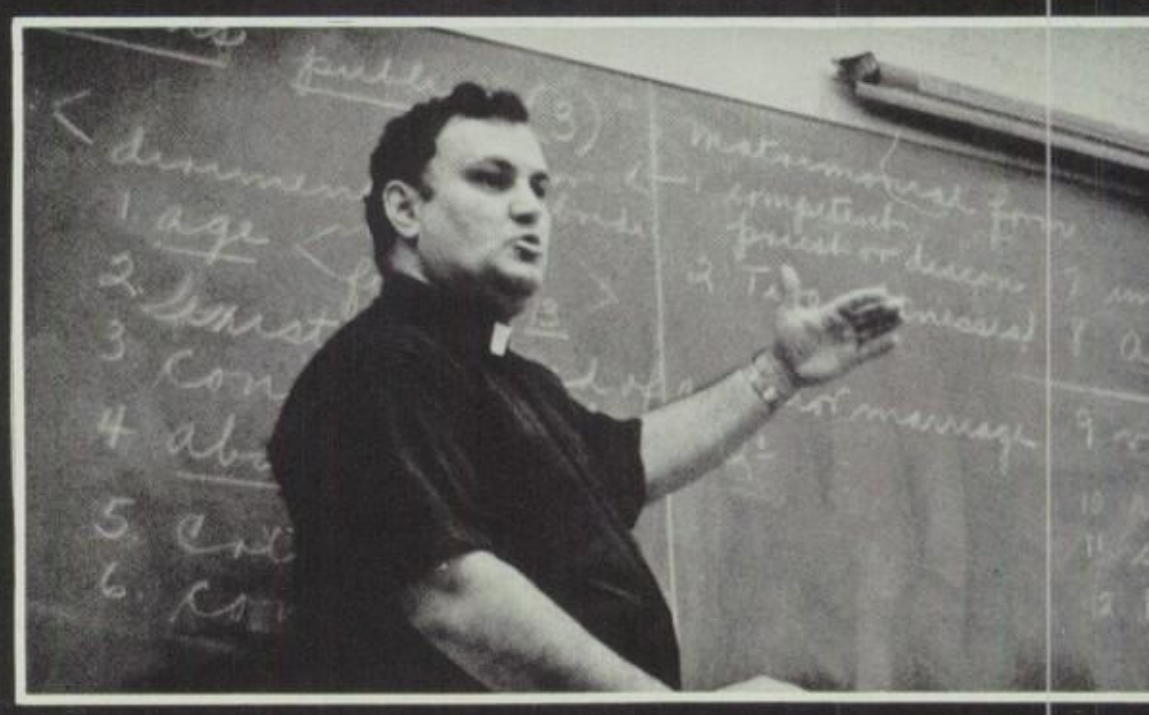


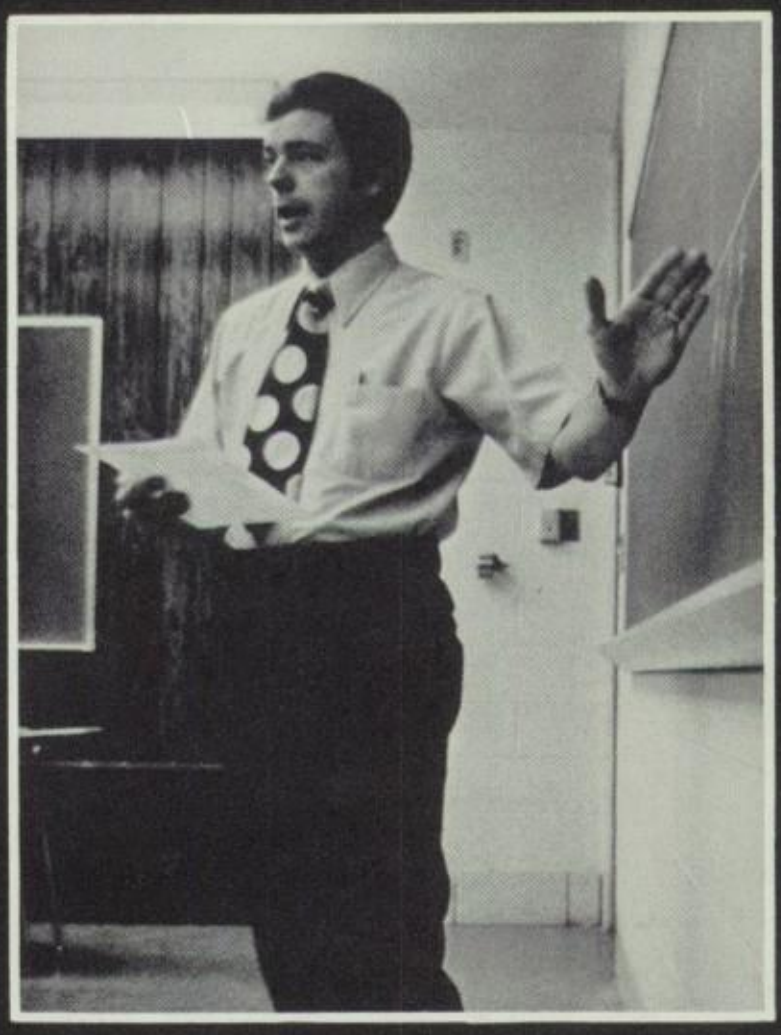
Faculty

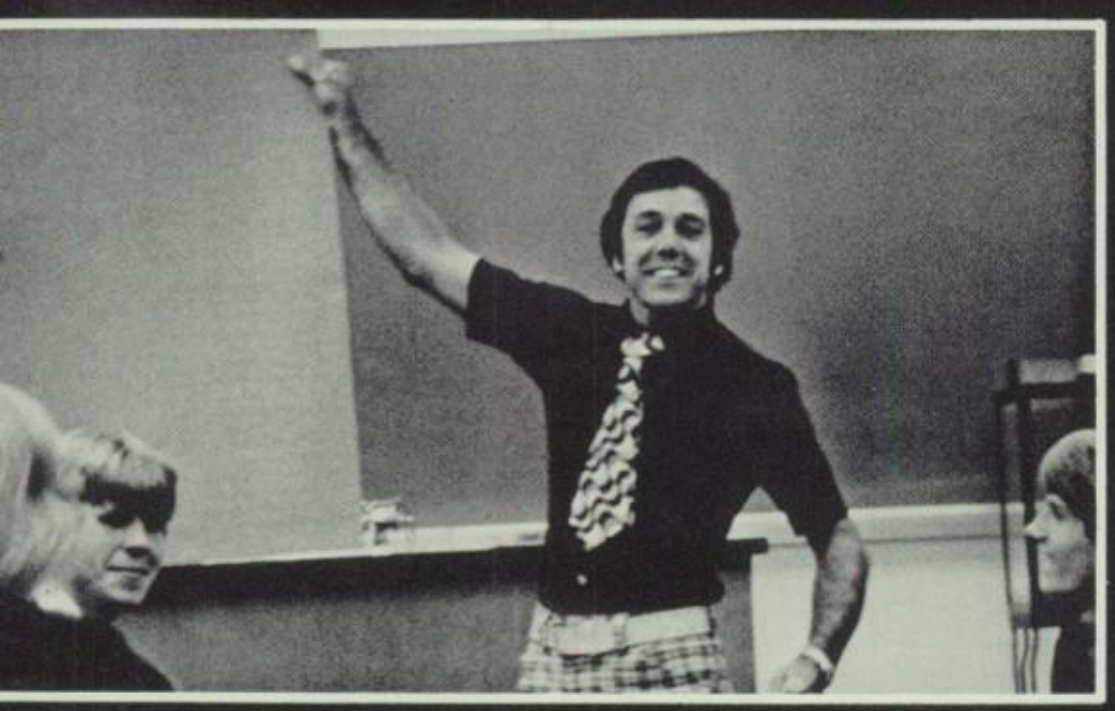
and Syllabi. Each department re-evaluated its individual cirriculum and courses of study to check conformity with the school's educational philosophy. RELIGION: The Religion department was guided in its re-evaluation process, by its new chairman Fr. Joseph Paolozzi, S.M. This department's introspection produced confidence among its members that all students were being presented the central notions of the Christian message as it has been handed down historically in the Church. Students were also being confronted with the Gospel message, and were applying it to their daily way of life. ENGLISH: Because we communicate through the written word, the spoken word and the picture, the English department's evaluation, under the direction of co-chairman Mr. John Massarella and Bro.

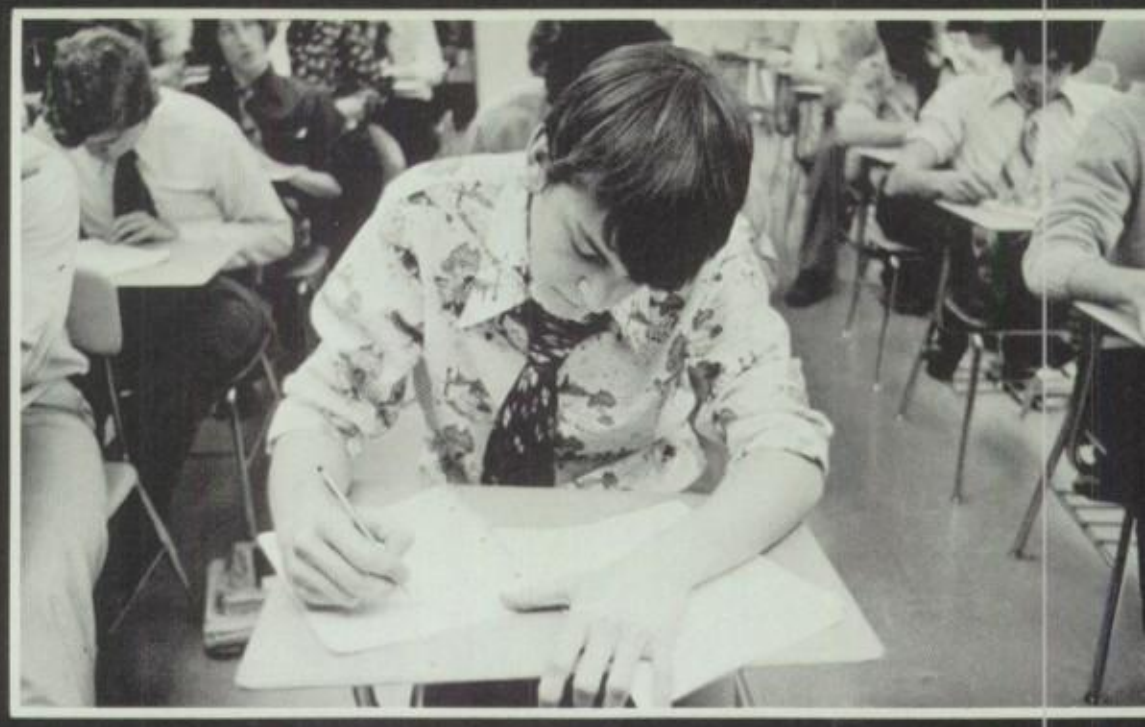
CLOCKWISE: MR. BLANFORD, Spanish, Latin, Moderator Classic's Club; MR. MEOSKY, Biology, Moderator Freshmen Division, Head Cross Country Coach, Assistant Track Coach; MR. PARKER, Physical Education, Drivers Education, Supervisor of Cafeteria, Assistant Football Coach, Head Wrestling Coach; MR. STRAUB, Health, Recreational Physical Education, Assistant Football Coach; FR. PAOLOZZI, Chaplain, Chairman Theology Department; MR. MEALE, Chemistry, Biology-Ecology, Moderator Table-Top Sports Program; MR. CONWAY, Director Band, Instrumental Music.











Faculty

Elmer Lange, S.M., continued its two-part program, integrating the basic English skills with a multi-phased elective program. Members of the department expanded classroom instruction with the production of two plays and the publication of the literary magazine, The Squire, and the monthly publication of the Crusader, the school newspaper. SOCIAL STUDIES: Realizing and accepting the responsibilities of preparing students for their active participation in a complex and evolving society this department, under the new chairmanship of Mr. Kenneth Schlotman, organized its curriculum to be representative of man's experience, culture and beliefs. The department did so by drawing from all the social sciences, such as anthropology, economics, geography, political sci., and

CLOCKWISE: MRS. WILLIAMS, French, Theology; MR. SCHLOTMAN, Chairman Social Studies Department, Theology; BRO. TEDESCO, Religion, Theology, Moderator Yearbook "The Templar"; MR. SMITH, Social Studies, Sociology, J.V. Basketball Coach, Assistant Football Coach; BRO. WANDA, Director Marianist Community, Chairman Arts Department, Fine Arts, Humanities; MR. HUMMEL, Physical Science, J.V. Football Coach, Head Tennis Coach; MR. SYLVESTER, Health; MR. LEDFORD, English Drama, Television, Moderator Junior Division, Rally Coordinator, Director T.V. and Dramatics; MR. BAUER, Chairman Business Department, Distributive Education, Business Law.

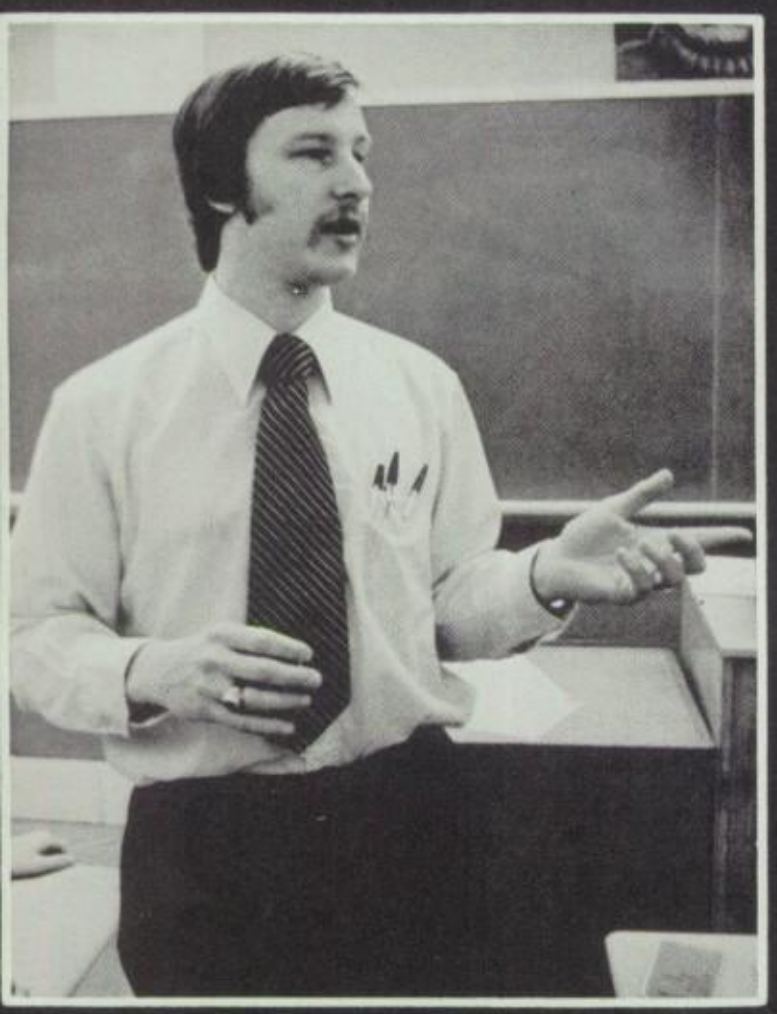
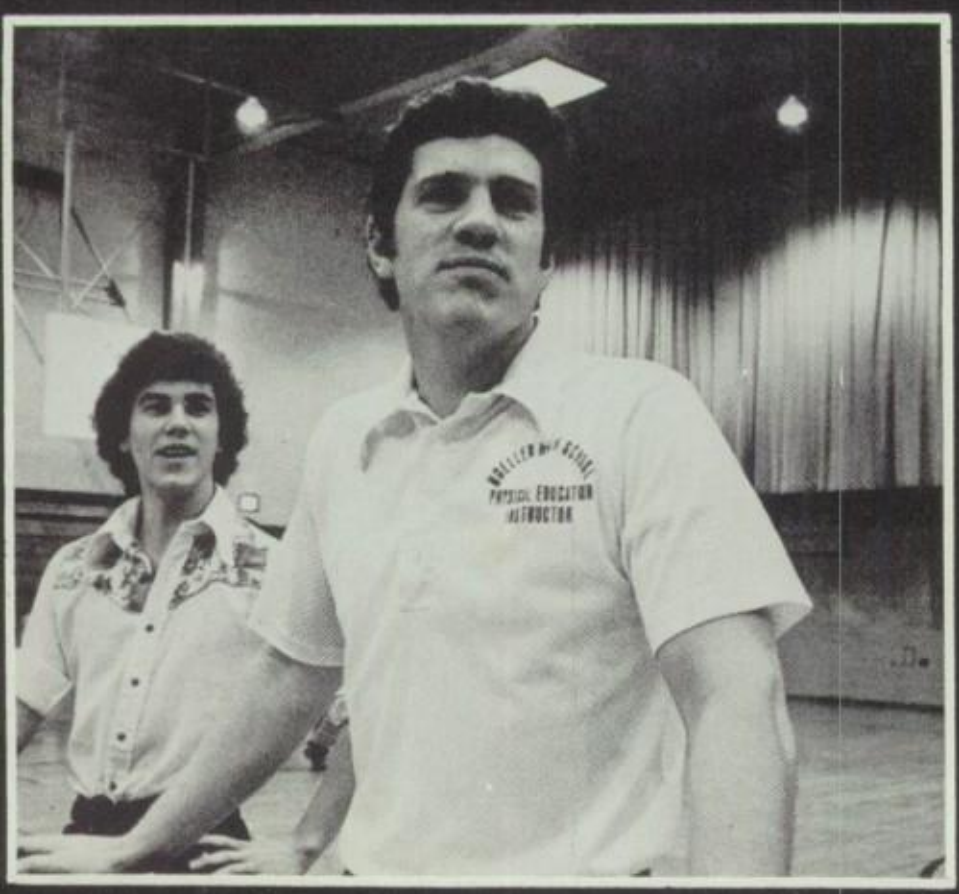
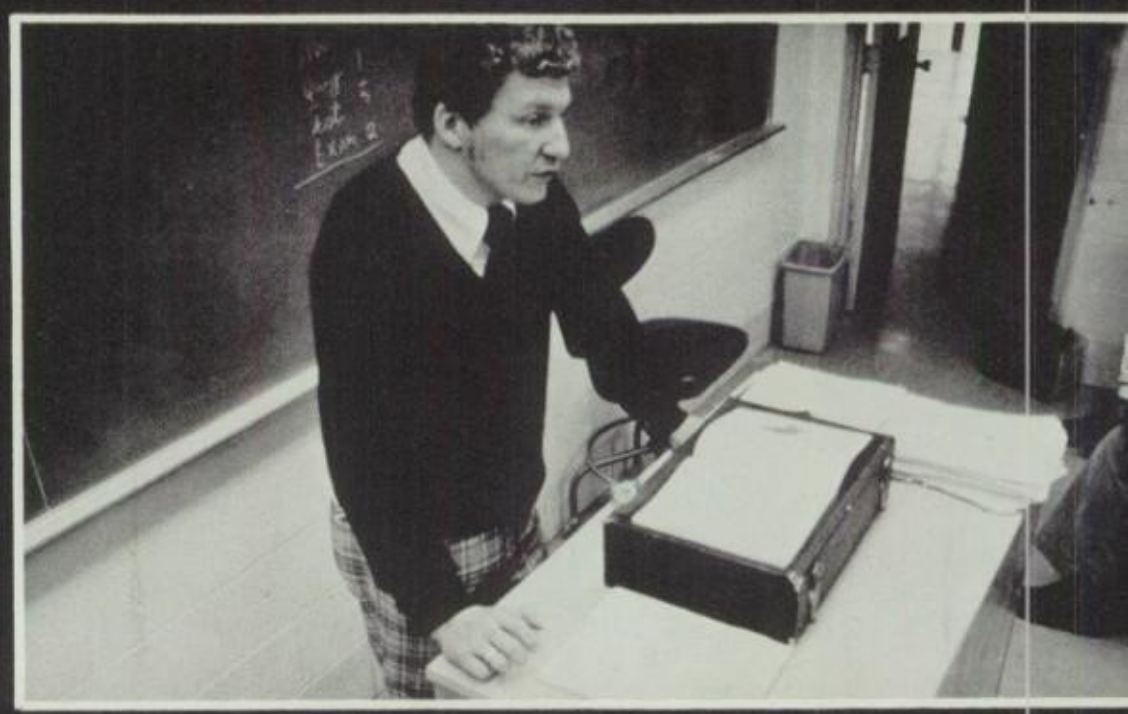
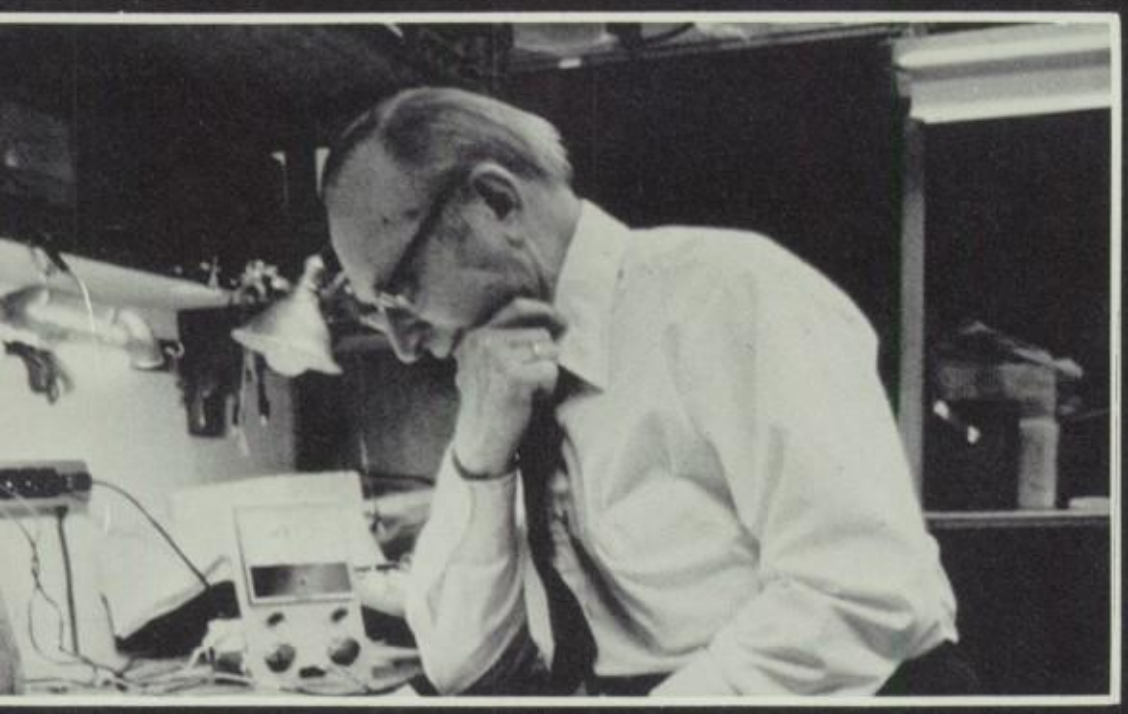
related beavioral sciences. FINE ARTS: The curriculum of the Fine Arts department differs from all other academic areas because the students are involved in a total enviroment of their field be it in studio arts, music or mechanical drawing. Bro. Charles Wanda, S.M., made sure that the Fine Arts department offered the student the possibility of obtaining a four-year major and proficiency in the field of his choice. LANGUAGE: The evaluation of the Language department was directed by the new chairmen Bro. Robert Waker, S.M. This department reorganized itself around the belief that the intense study of another language — be it Latin, Spanish, French, or German — leads to a better understanding of one's own language structure and vocabulary. MATH: During the process of

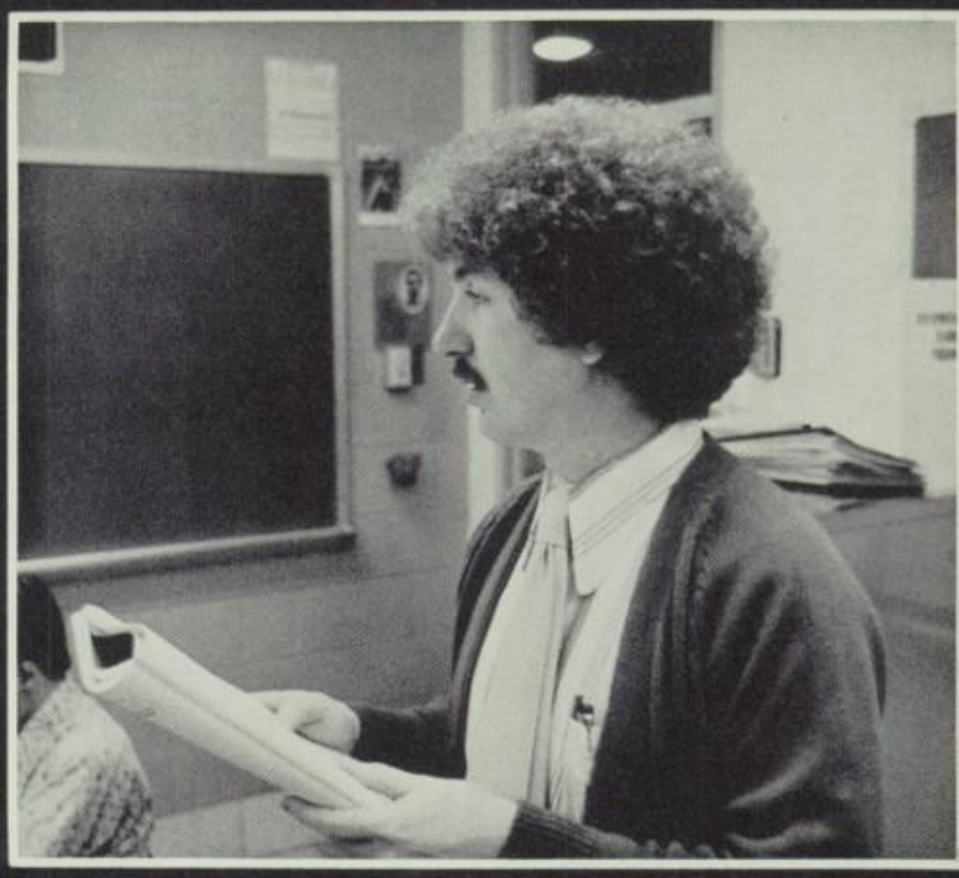
... CLOCKWISE: MR. LIEBERT, Mathematics, Computer Programming, Assistant Football Coach, Head Track Coach; MR. BAUMANN, Mechanical Drawing, Moderator Photography Club; BRO. TRAGESER, Director Audio-Visual Department, Moderator Radio Club; MR. FOLEY, English, Remedial Reading and Clinic-Transitional School; MR. CAMERON, Chairman Physical Education and Health Department, Drivers Education, Intramurals, Assistant Football Coach, Head Baseball Coach; MR. KEENER, English, Moderator Chess Club, Head of Freshmen Track.

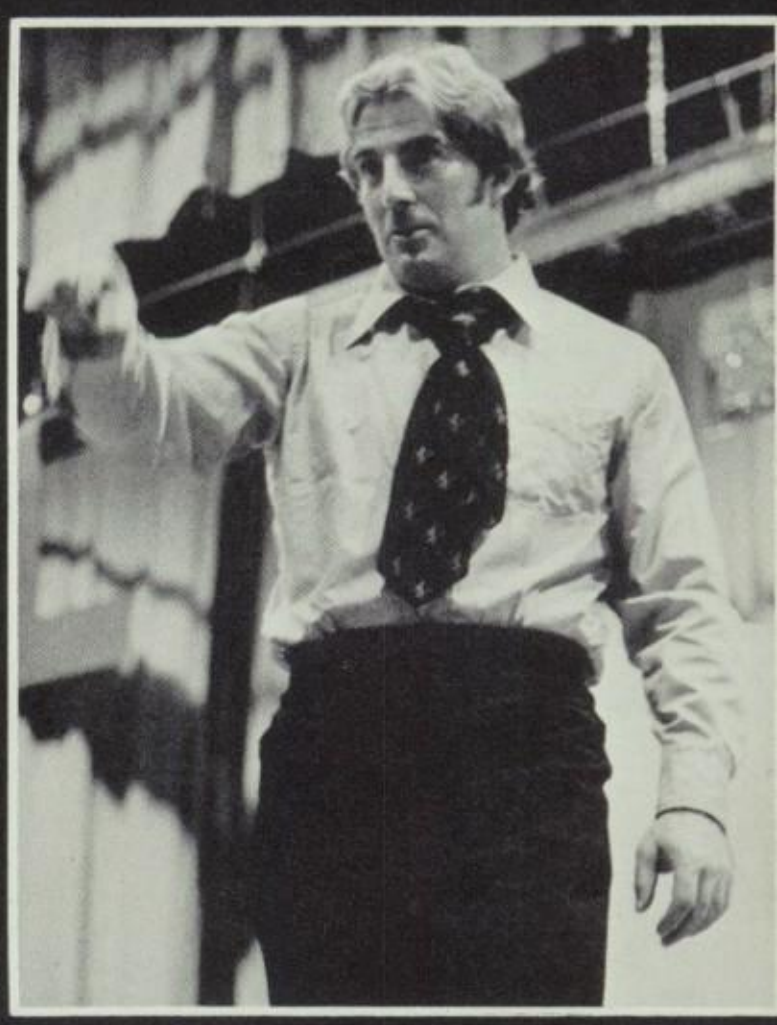


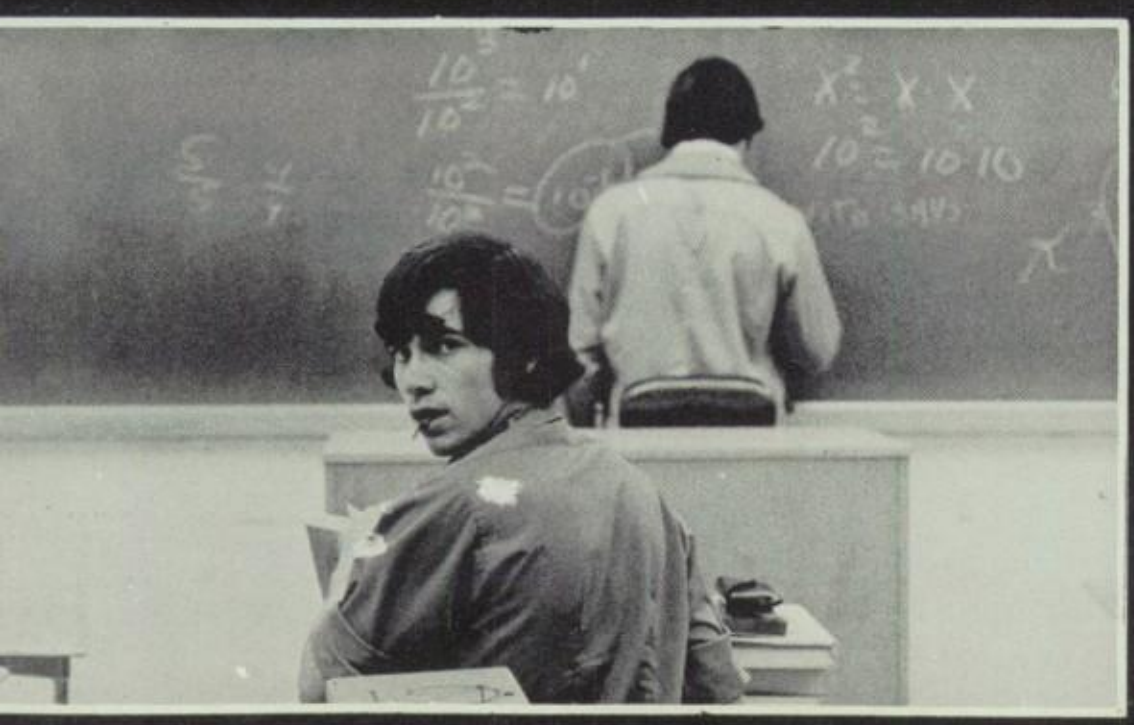


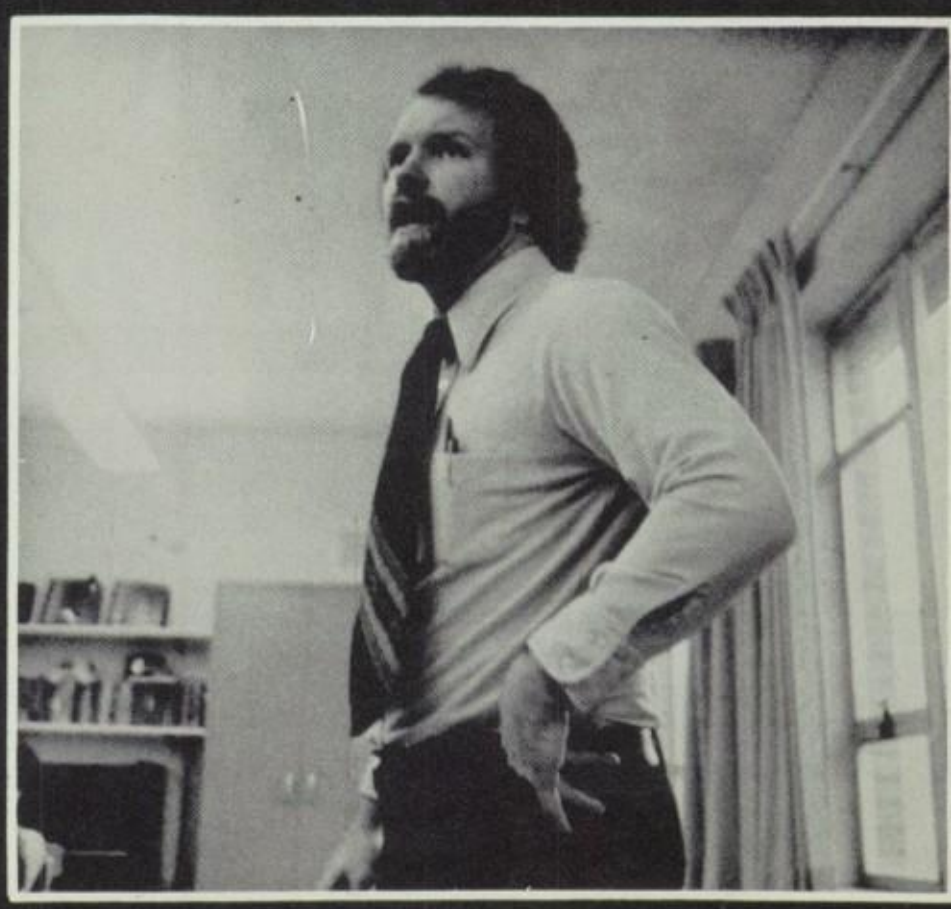






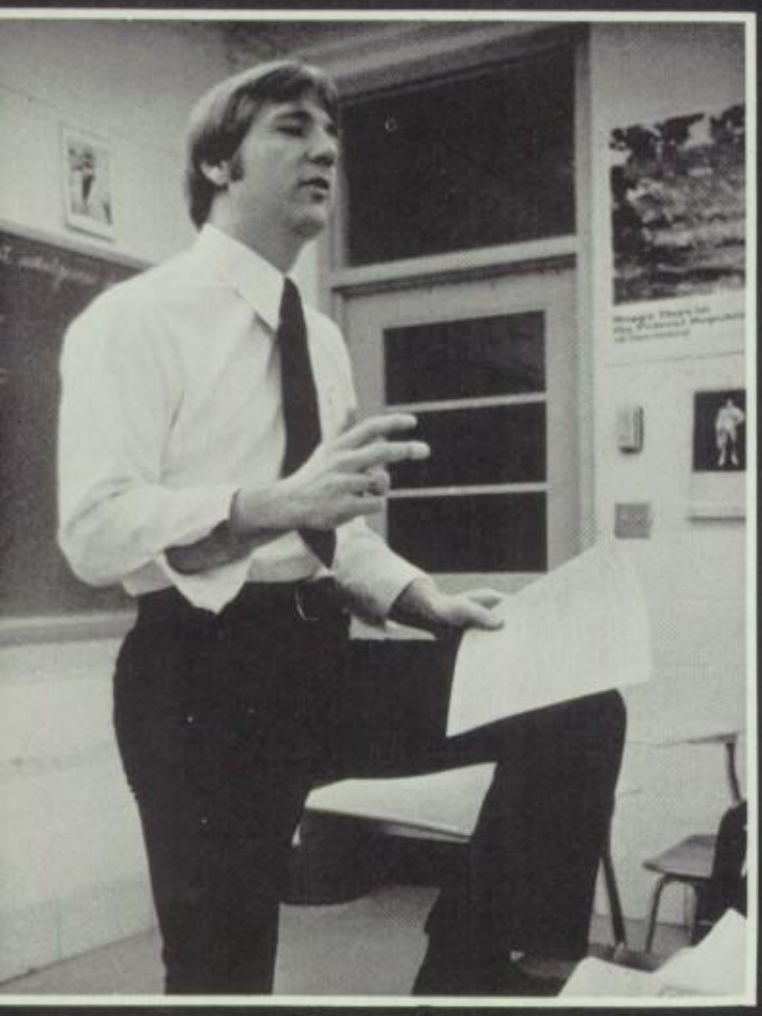




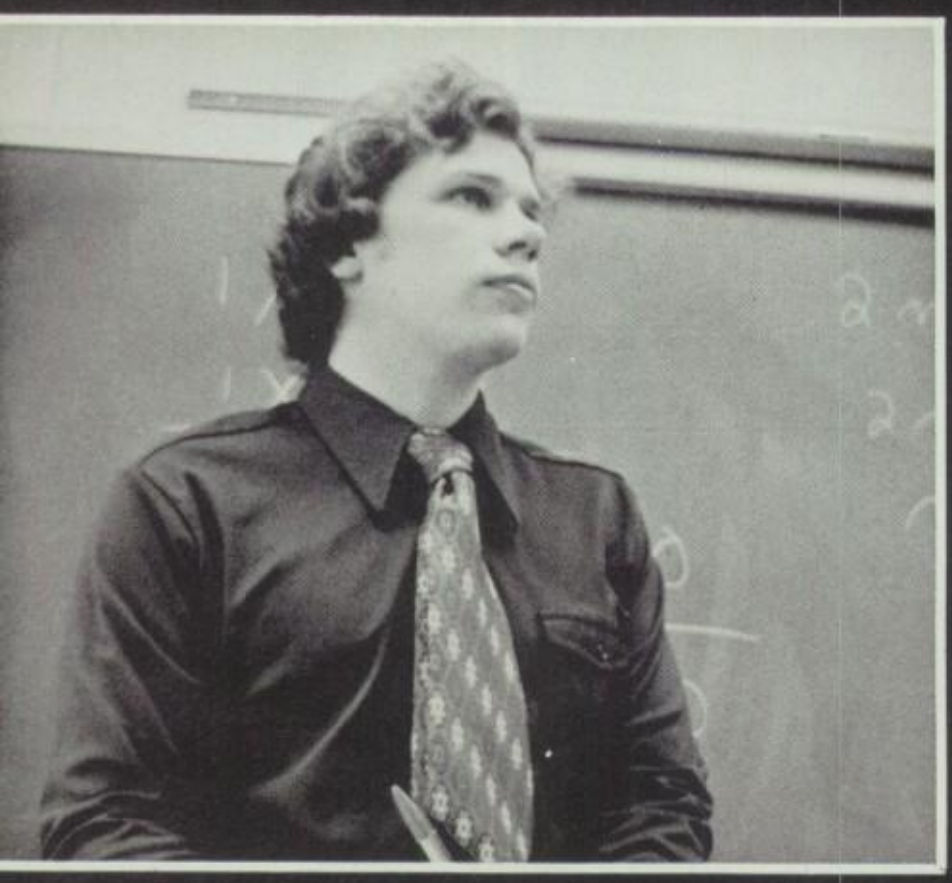


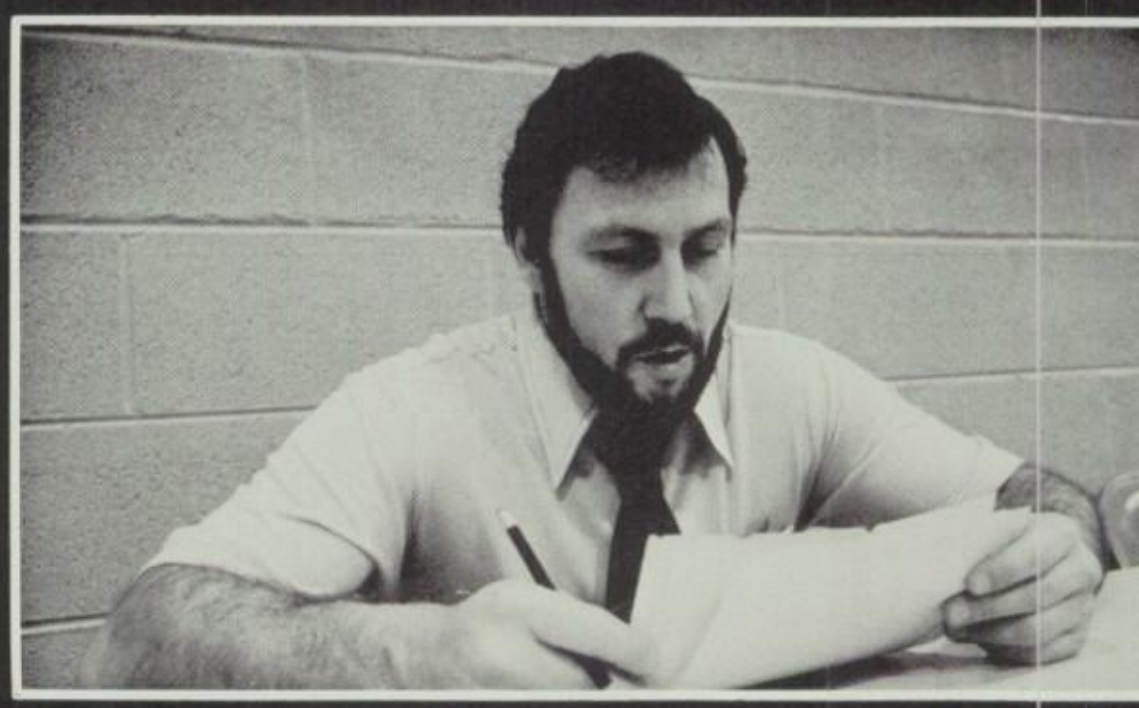
Faculty

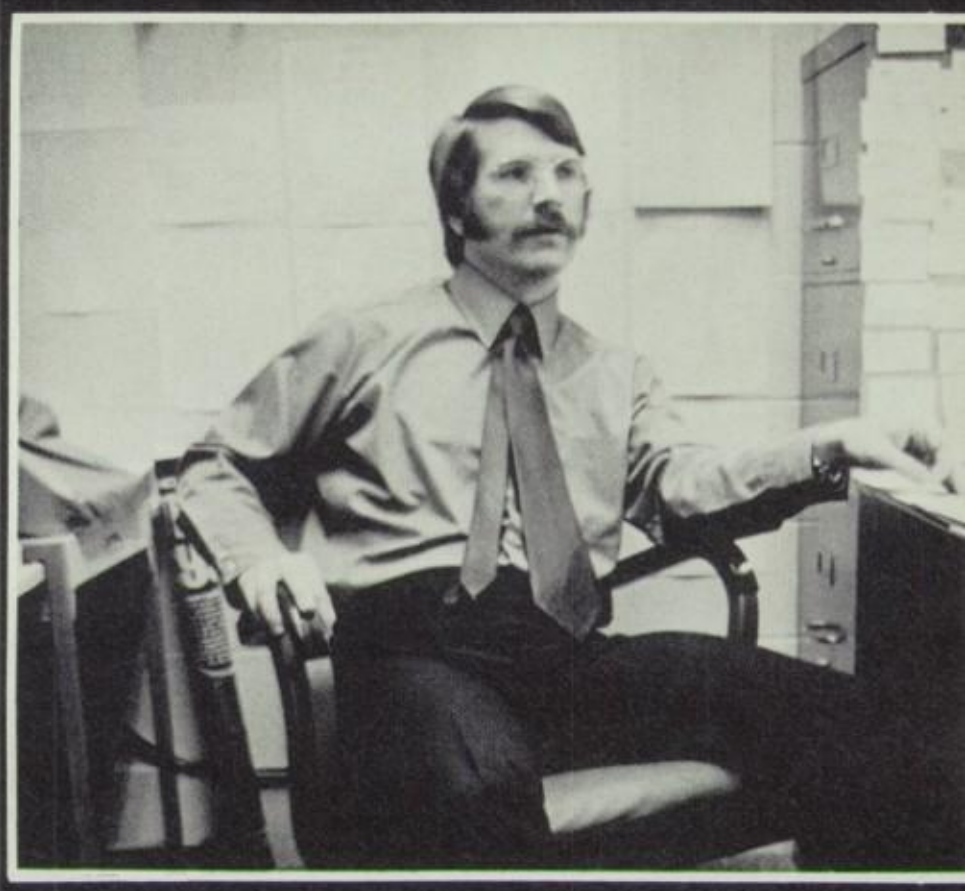
re-evaluation, chairman Mr. Larry Rovito realized that the department's goal must be to prepare the students for future work in such fields as science and engineering. The curriculum was organized in a manner that allows each student to seek his own level of math competency. SCIENCE: The curriculum of the Science department is based on the belief that courses in science should provide the skills and knowledge necessary to enable a student to build upon throughout his life and to successfully continue in a science career. Chairman Mr. Barry Borman evaluated the present curriculum and found that basic courses such as physical science, biology and chemistry served as preparers toward upper-level courses such as physics, human anatomy, and organic chemistry, as well as prepar-

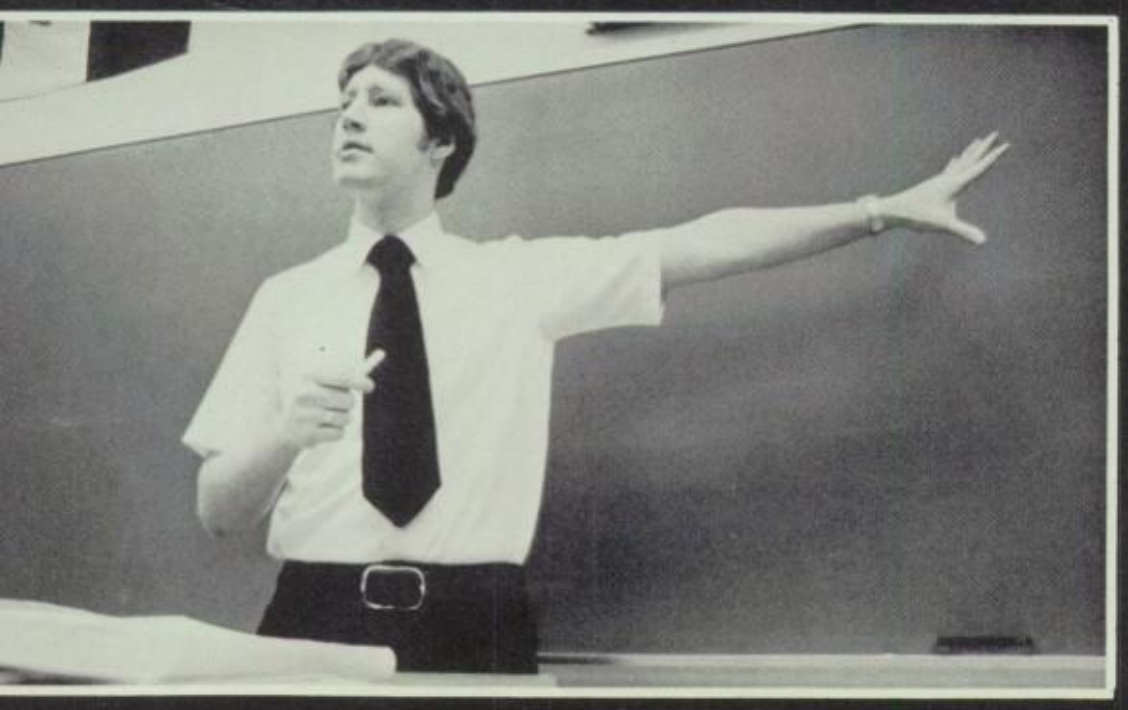


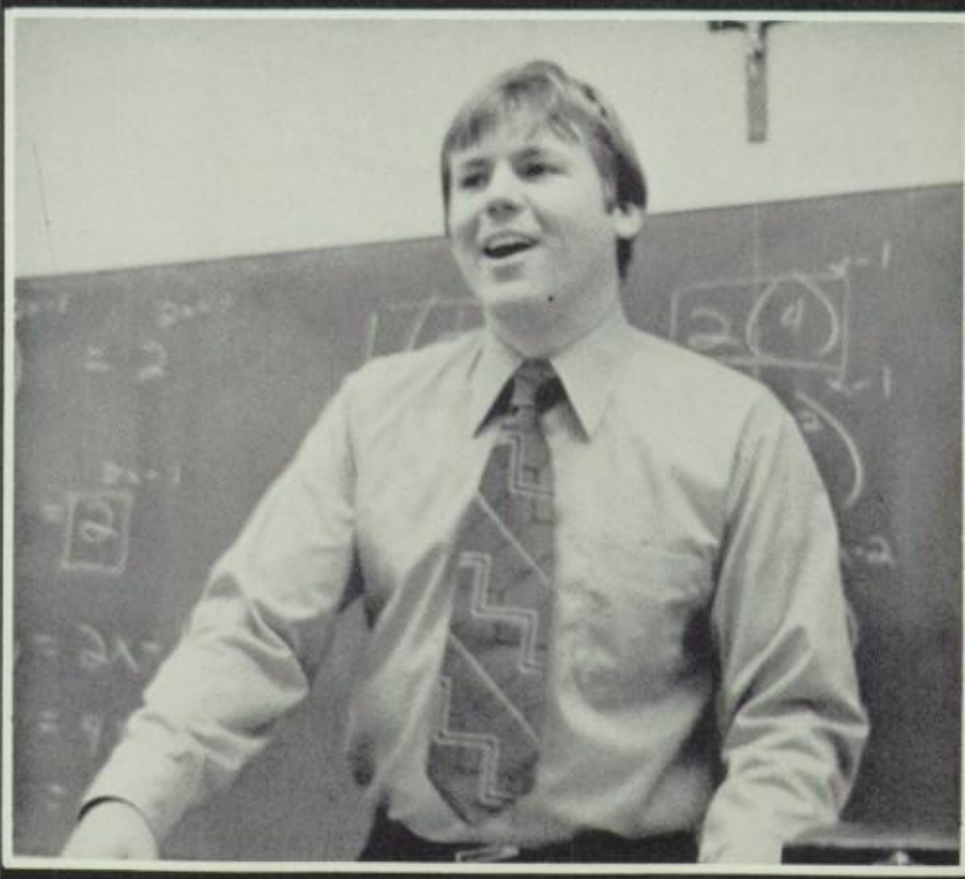
... CLOCKWISE: MR. JOHNS, Social Studies, Head Golf Coach; MR. GERREIN, Mathematics; MR. SHIELDS, Guidance Counselor, Mathematics; BRO. FONS, English, Head Coach Swimming.; BRO. GATTO, Social Studies, Psychology, Counseling, Moderator Music Department, Moderator Band Boosters, Moderator Senior Division.











Faculty

ed the student for future science study.

BUSINESS: This department, characterized by a new dynamism and sophistication brought to it by its new chairman Mr. James Bauer, reorganized the program around the desire to permit the students access to all the fundamental knowledge and skills that allow them to prepare for a future in the business world. Continuation of this special Distributive Education Program marked the Business department's success. The mastery of any vocation requires not only classroom instruction, but also the opportunity to actually participate in applying these instructions to true-to-life situations. HEALTH AND PHYSICAL EDUCATION: This department chaired by Mr. Michael Cameron designed a curriculum that would incorporate in its students the importance of personal, communal and environmental health, along with physical activity.

CLOCKWISE: MRS. HANLEY, Secretary; Cooks (LEFT TO RIGHT) MRS. SCHLEGEL, MRS. GRIVOIS, MRS. BURNS, MRS. NACHAZEL, MRS. HOCKSTOK, MRS. BURGOYNE: MR. O'CONNELL, Bookstore, Maintenance Supervisor; MR. SPORTS

Varsity Football Offense

The Crusaders had a powerful offense this year. It was accented by our strong passing game which could move the ball downfield quickly. Our passing attack was led by Junior Quarterback Tim Koegel and Senior Wide Receiver Jim Pierce. This combination accounted for many touchdowns this year. The team was also blessed with many talented Running Backs this year. The Backfield seemed to change with each game. Only Senior Mike Burns was steady at Fullback. As usual the strongest point of our offensive attack was the offensive line. Seniors Gary Cooper, Bob Cavellier, Rob Wirthlin, Matt Walchle and Gary Cornett blew holes in opposing lines and provided excellent protection for Tim Koegel all year. Without them the Offense would not have been nearly as powerful as it was.

Varsity Football Defense

The Crusader Defense earned the nickname "Crunch Bunch" because of their aggressive hard hitting nature. The Crunch Bunch was dependable and could be counted on to stop our opponents cold. The Defensive Line, led by Seniors Jim Gross and John Davis, was small but super quick and bone crushing. Our Defensive Secondary kept opponents' ground game within stiff limits and virtually eliminated the deep threat. Seniors John Crone and John Bauer led this aggressive group which was responsible for many wins in both regular season and the State Playoffs.

Moeller had the strongest Speciality Teams in the city this year. Junior Ken Naber's toe gave the Crusaders many points and proved to be the difference in many games. Punter John Williams kept us in excellent field position all year. Kevin Mc Cormick was designated Captain of this spirited squad which was an important aspect in this year's excellent season.

State Semifinals

At the beginning of the 1975-1976 school year the Moeller football team and the student body already had their goal set. They had been frustrated in achieving this goal the two previous years. Yet, despite our hope, it seemed as though the goal of being State Champs would always be just beyond our reach. Perhaps the greatest obstacle to the achievement of our goal was this one notion of pessimism.

The season was long and difficult. Each of ten victories this year (our third undefeated regular season in three years) was seen as a step toward our goal. Cries of, "We want State!" were at every rally and game. When we defeated Elder in the final game of the regular season, we began to prepare for the last, and most difficult step.

Our first opponent was determined to be the Findlay Trojans, who we had beaten by a slim margin in the previous season. Signs were put up, and the entire student body was getting ready for the rally. It was here that the theme, "One More Victory" from the song by Exile which had been played at the rallies thoughout the year became eminent. Yet, the apprehension of the students was notable. While getting "psyched up" nobody seemed to go overboard at the rally. We seemed to be more realistic toward the possibility that we would loss than we had been in the previous two years. No one wanted the complete disappointment to hit them hard, as with a hammer.

We travelled to Dayton's Welcome stadium to face Findlay. The Findlay running game was strong and could move the ball steadily. But the Crusader "Crunch Bunch" defense dug in for two goal line stands which frustrated the Trojans.

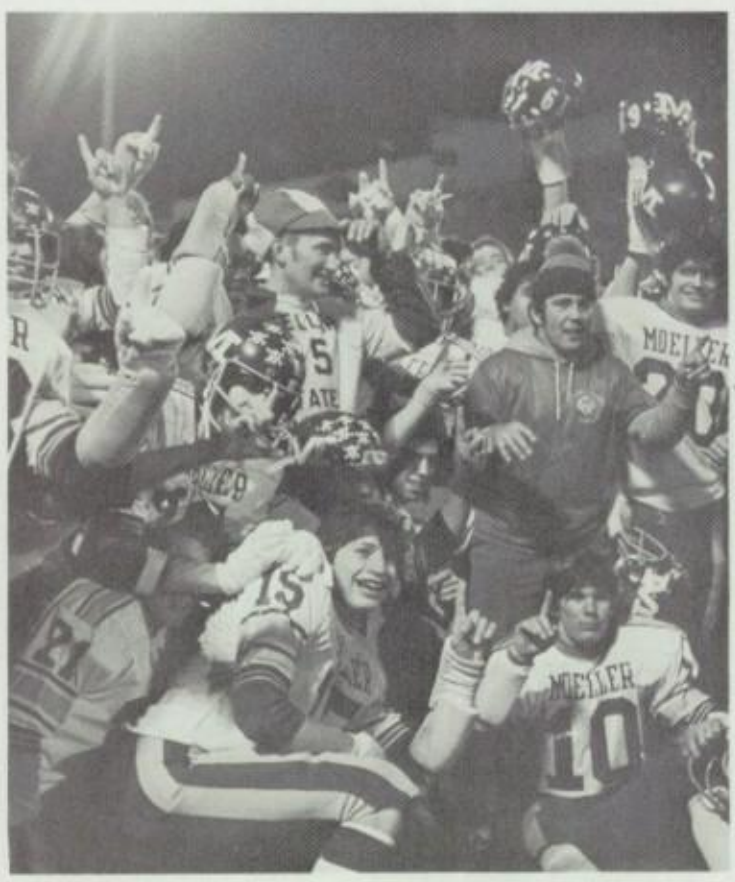
MORE VICTORY



State Finals

Our offense could move the ball quickly and we scored first. At half time we led 14-10. The Trojans moved closer with a touchdown early in the third quarter. They were threatening again when John Bauer intercepted a pass at the two yard line and returned it the remaining ninety-eight yards for the touchdown. Another interception at the Findlay thirty yard-line set up another quick score by the Crusaders to put us way ahead. The game ended 28-16, Moeller.

The next week was to be a very busy and exciting one. It is a wonder that any school work was done at all, with the game against St. Edward being number one on our mind. The game was to be played at the Akron Rubber Bowl so we were given Friday off from school for the long drive. On Thursday the rally was held that climaxed the week's activity. At the rally the entire student body joined Tom Steele singing, "Just One Victory" which had not only become our theme song, but was now a reality. We needed "Just One Victory" to be State Champs. But it was not going to be easy. The Newspapers said that St. Edward was the best high school football team that they had seen, and they predicted we would lose. Even some of those within our own circle seemed doubtful that there was even any chance that we would win.

The trip to Akron was a long, grueling one. Tension and excitement built up within those buses and cars. By the time we arrived we were ready to yell and scream our hearts out and we did just that.

The game, played in snow flurries, was hard fought. The Eagles were immediately shocked by our quickness and aggressiveness. It was evident that the Eagles had never been hit so hard. Moeller scored first, but St. Ed's came back quickly. The seesaw battle went on. With two minutes left and the score 14-12 in our favor, the Eagles were threatening inside the twenty-five yard line. It began to look bad for the Crusaders. The student body began to sing "Just One Victory" and the players were beginning to cry. Then the miracle happened. St. Ed's Quarterback fumbled the snap. In a flash Sophomore Middle Guard Bob Crable shot through the line and dived on the ball. We all went wild. The Moeller Offense moved the ball downfield and stalled. St. Ed's got the ball but it was too late. The game ended. Mr. Faust, State victory shirt and special good luck hat in place, accepted the State trophy. The miracle was complete. The Moeller Crusaders were the State Champs in football for the first time. The school was on cloud nine for the next two weeks. Special congratulations came from local government officals and many Moeller alumni and friends. We were Number One, and no one could take that away from us.

J.V. and Frosh Football

The Reserve football team was undefeated and tied only once this year. They were G.C.L. co-champs. In six games the Crusaders held their opponents scoreless.

The Freshmen, once again under the direction of Coach Hall, also had a fine season. They finished with four wins, one loss, and two ties giving them a second in the G.C.L.

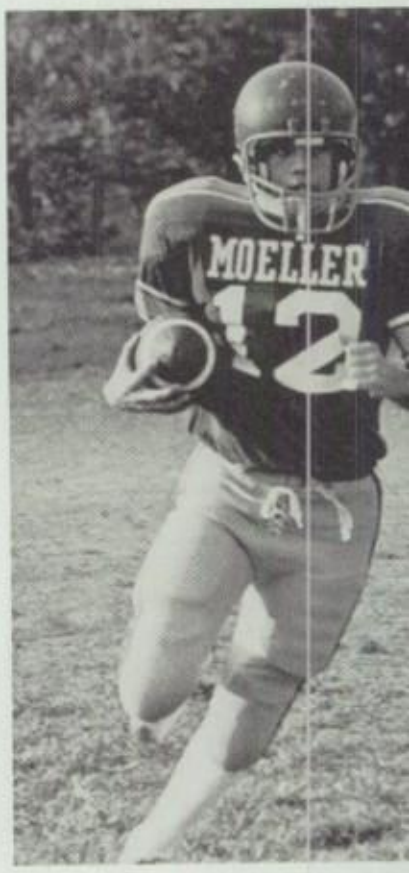
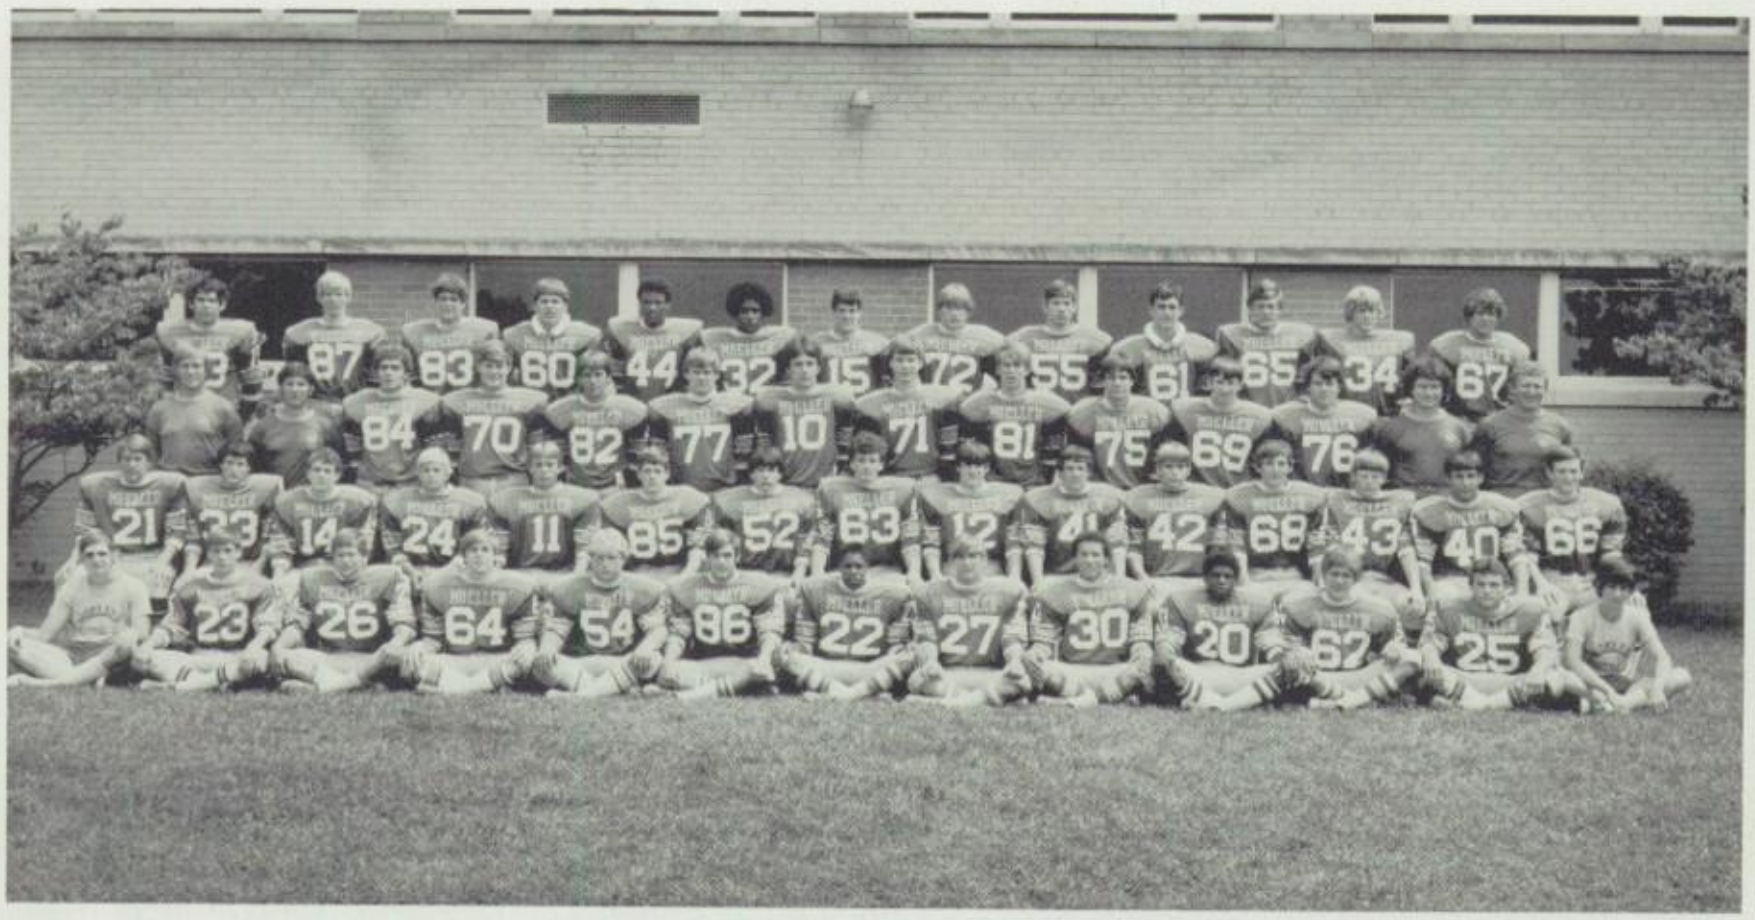
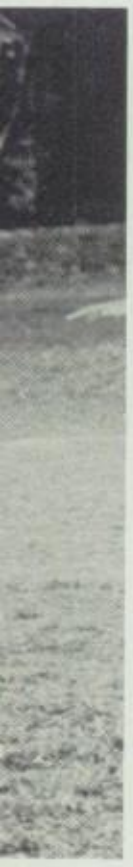
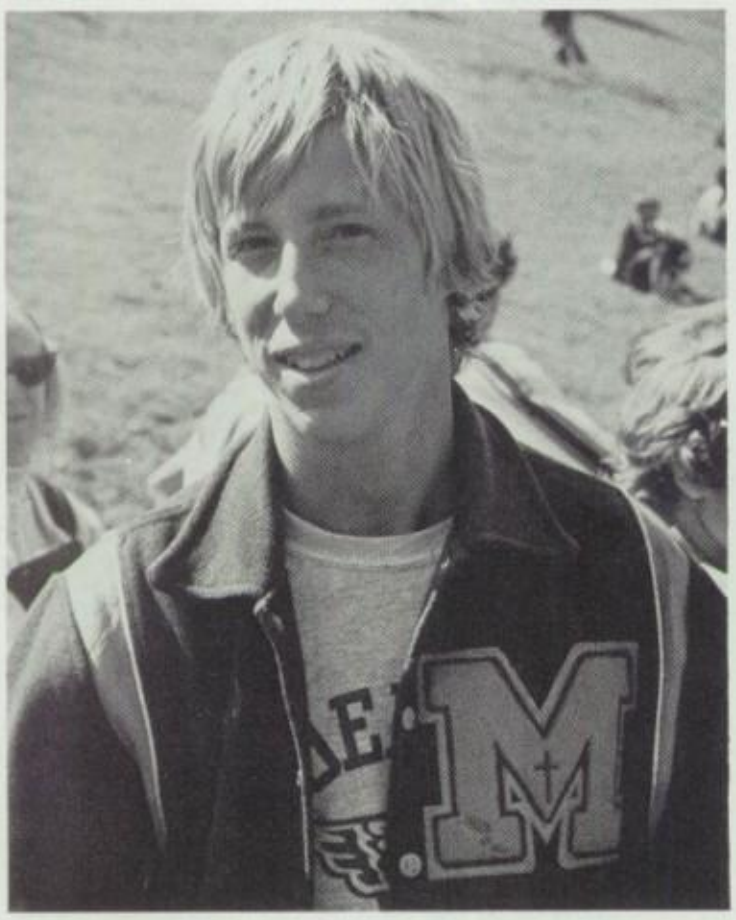
G.C.L. Co-Champs









Cross Country

After having lost several excellent runners from the class of '75, this was a rebuilding year for the Moeller cross country team. Coach Ed Meosky's men ran mostly large invitational meets this year, so they were usually pitted against the best runners in the city. The varsity's mediocre season was made worse by a last place finish in the G.C.L. However, Senior Mark Helgeson was superb during the season and placed twenty-fifth in the State Tournament.

The reserves and the frosh were also less than spectacular during the season, but they did well in the G.C.L. meet. The reserves took third place while the freshmen finished fourth in League competition.

Soccer

The Moeller Soccer team suffered a disappointing 1-11 record this year despite high hopes at the beginning of the season. Although there was much talent, many new players joined the squad this year, but they could not seem to gel as a team. The lone victory came against Sycamore, and in another good moment the Crusaders tied St. Xavier who had defeated them earlier in the season.

Individual performances by juniors Paul Trapp and Tim Hertlein highlighted the otherwise dismal season. There is hope for the future, however, Coach Manegold's men are young and gaining much experience.

Swimming

In only their second year, the Moeller Aqua-Crusaders had a very impressive season. Under the leadership of the new head coach, Mr. Thomas Fons, the team had four wins and four losses in dual meets.

The team took third place in the G.C.L., but placed first in the diving competition. The underrated Crusaders surprised their highly rated, unsuspecting opponents by their fine showing. The season was a success because individuals like team captians Tim Jones and Jim Franer, sophomore Andy Roberts and freshmen Tom Riedy and Paul Hoffman added spirit and drive to a young team dedicated to win.

Varsity Wrestling

The Moeller Matmen had an off year, winning one of five dual matches. The competition in these matches was the toughest in the city. The Crusaders performed well in the large tournaments they participated in, but only could manage fourth place in the G.C.L.

Senior co-captains Steve Melink and Ken Adkins led the team in wins and pins. Both of them gave excellent performances in Sectional, District and State competition.

The matmen could always be counted on to deliver a fine sport's show, with wrestlers like Jeff McNaul and Dave Markgraf whose remarkable last second comeback pins sent many a wrestling audience into a frenzy.

Varsity Basketball

The Moeller Crusader basketball squad was vastly improved this year. The team was runner-up in the District A.A.A. tournament. The new head coach, "Gip" Fehring, led the team through the finals after a 7-11 regular season.

The team got off to a slow start this year because some of the players were on the football team and did not get a chance to practice with the team until a week before the opening game. The Crusaders lost many games by one or two points in the final seconds of play.

Coach Fehring changed the starting lineup often during the season and the team was constantly improving. The Crusaders gelled as a team in the tournament play beating second seeded Anderson, Aiken, and Hughes and only bowing to Elder in the District Finals.

Freshman — J.V. — Basketball

The '75-76 season was a rebuilding year for the freshmen and reserve basketball teams. Coach Paul Smith moved up to coach the reserve team and Mr. Larry Rovito moved in as the frosh mentor.

The reserves left room for improvement. They tallied a 5-11 record in the regular season and a last place in the G.C.L. The freshmen ended with an 8-8 record and an impressive second in the G.C.L. — losing the final game to Elder. The team was plagued with injuries all of which were caused by the strenuous activities of Mr. Parker's gym class.

Varsity Track

In Jeff Liebert's first year as head coach, the Moeller Varsity track team continued in its winning tradition. The Crusaders were once again among the top teams in the city finishing the year with a third place ranking after compiling a 10-1 record in dual meets. The trackmen also placed well in invitationals and finished a strong third in the G.C.L. meet.

Individual performances of seniors Byron Patterson in the hurdles and Mark Helgeson in the mile were unmatched by anyone in the city. Byron was chosen by his team as their Most Valuable Runner, while Mark was honored as the Most Valuable Player for his combined ability and leadership.

The season was a great success for both many outstanding individuals and the team who broke and then re-broke many long standing school records.

Varsity Baseball

The 1976 Moeller baseball team had an excellent season finishing with a 23-10 record. Moeller made it to the city semi-finals, but was eliminated by Elder. Coach Mike Cameron's men were high in the city standings, but could only manage fifth place in the tough G.C.L. The Crusaders had a 4-6 League record.

The Moeller hardballers had an awesome hitting attack this year backed up by sharp baserunning which kept many an opponent baffled and frustrated.

At the Spring Sports Banquet, senior Bill Fitspatrick was awarded the Most Valuable Player award as well as the best Defensive Player trophy. Junior Ron Klein was voted the Most Improved player.

Though Moeller had hoped to repeat the State victory on the diamond, the team and coach can be proud of a season well played.

Moeller Varsity Baseball Team

J.V. and Frosh Baseball

Coach Gip Fehring, in his first year as a Moeller baseball coach, guided the reserves to a 16-1 season and a G.C.L. championship. The team was characterized by their self demands of hard practice and determination while enjoying the afternoon game of baseball.

This was the first year for freshman baseball at Moeller. Coach Paul Smith's boys did well in their first year finishing with an 8-3 record, while playing most of their games against more experienced and older reserve teams.

Both of these teams were composed of outstanding athletes whose efforts and team work brought the Moeller baseball program to a new level of success.

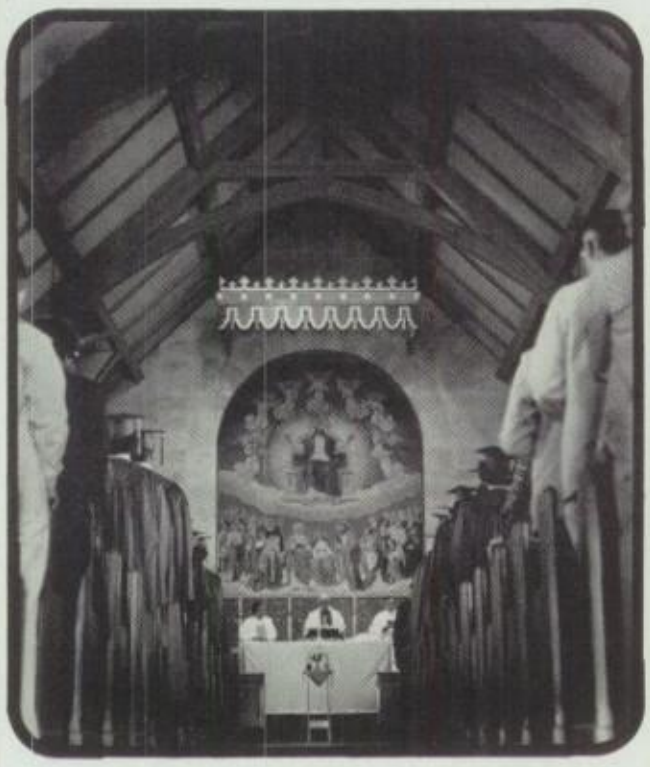
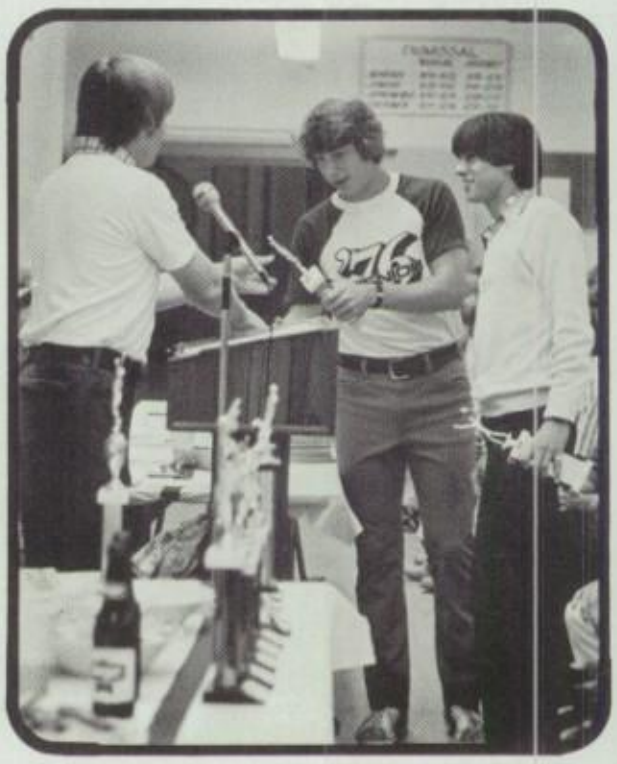
SOCIAL EVENTS





Homecoming Week October 13-18

Rain ruined what was probably the most well-planned Homecoming in many years at Moeller.

This year the traditional Homecoming Weekend was expanded to include the preceding week.

It began well with more students than ever putting their time and effort in building the divisional floats. The school was buzzing with activity the entire week. Students wore what they wanted on Wednesday as the dress code was dropped for "Grub Day." Finishing touches were added to the floats on Thursday evening. But the downpour began before dawn Friday morning.

The atmosphere became somewhat less than festive as Bro. Robert Flaherty, S.M., announced that the parade would be canceled. The floats were judged at the float-building sites.

The Crusaders crushed Purcell in one of the four football games played throughout the city that evening.

Homecoming Dance October 18

Despite the disappointment of the day before, the Homecoming Dance was a great success.

The gym and hall were beautifully decorated. The decorations included a miniature fountain at the entrance of the dance hall. A canopy was built to protect couples from the rain and parking valets were also provided.

The music for the evening came from Carefree Day. Andy Holtmeier and his date, Terri Smith, were crowned Homecoming King and Queen.

Thanks to the efforts of the Homecoming Committee, headed by Kevin McCormick and Byron Bressler, along with Homecoming Dance chairman Dan Pierce, the evening was very enjoyable.

STATE

Fall Festival October 11-12

Moeller continued its tradition of shattering its previous records in the Fall Festival ticket sales drive.

Because of the great effort on the part of the students and faculty, our chief fund raiser was a great success. Ticket sales totaled $30,132.86 — 155.2% of the school quota. Both were school records.

Mr. Liebert's homeroom, 3C, led the school with an unbelieveable 401%. D.E. followed with 358%, and homeroom 1G was third with 314%. All three of these homerooms broke the 300% mark set by Mr. Liebert's old homeroom, 3A, last year. Also, every homeroom in the school reached 100% of its quota for the first time in the history of the drive.

The Festival was held on Saturday, October 11, and Sunday, October 12. The prizes of $3,000, a side of beef with a freezer, and a ten-speed bike were awarded to the winning ticket holders. Sophomore John Apke was lucky enough to sell himself the Grand Prize ticket.

The booths were manned by members of the Dads' Club from each of the parishes in the area. The proceeds from the Festival will be used for maintenance and improvements of the school building. The Men of Moeller are to be commended for making this the best year ever for the Fall Festival.

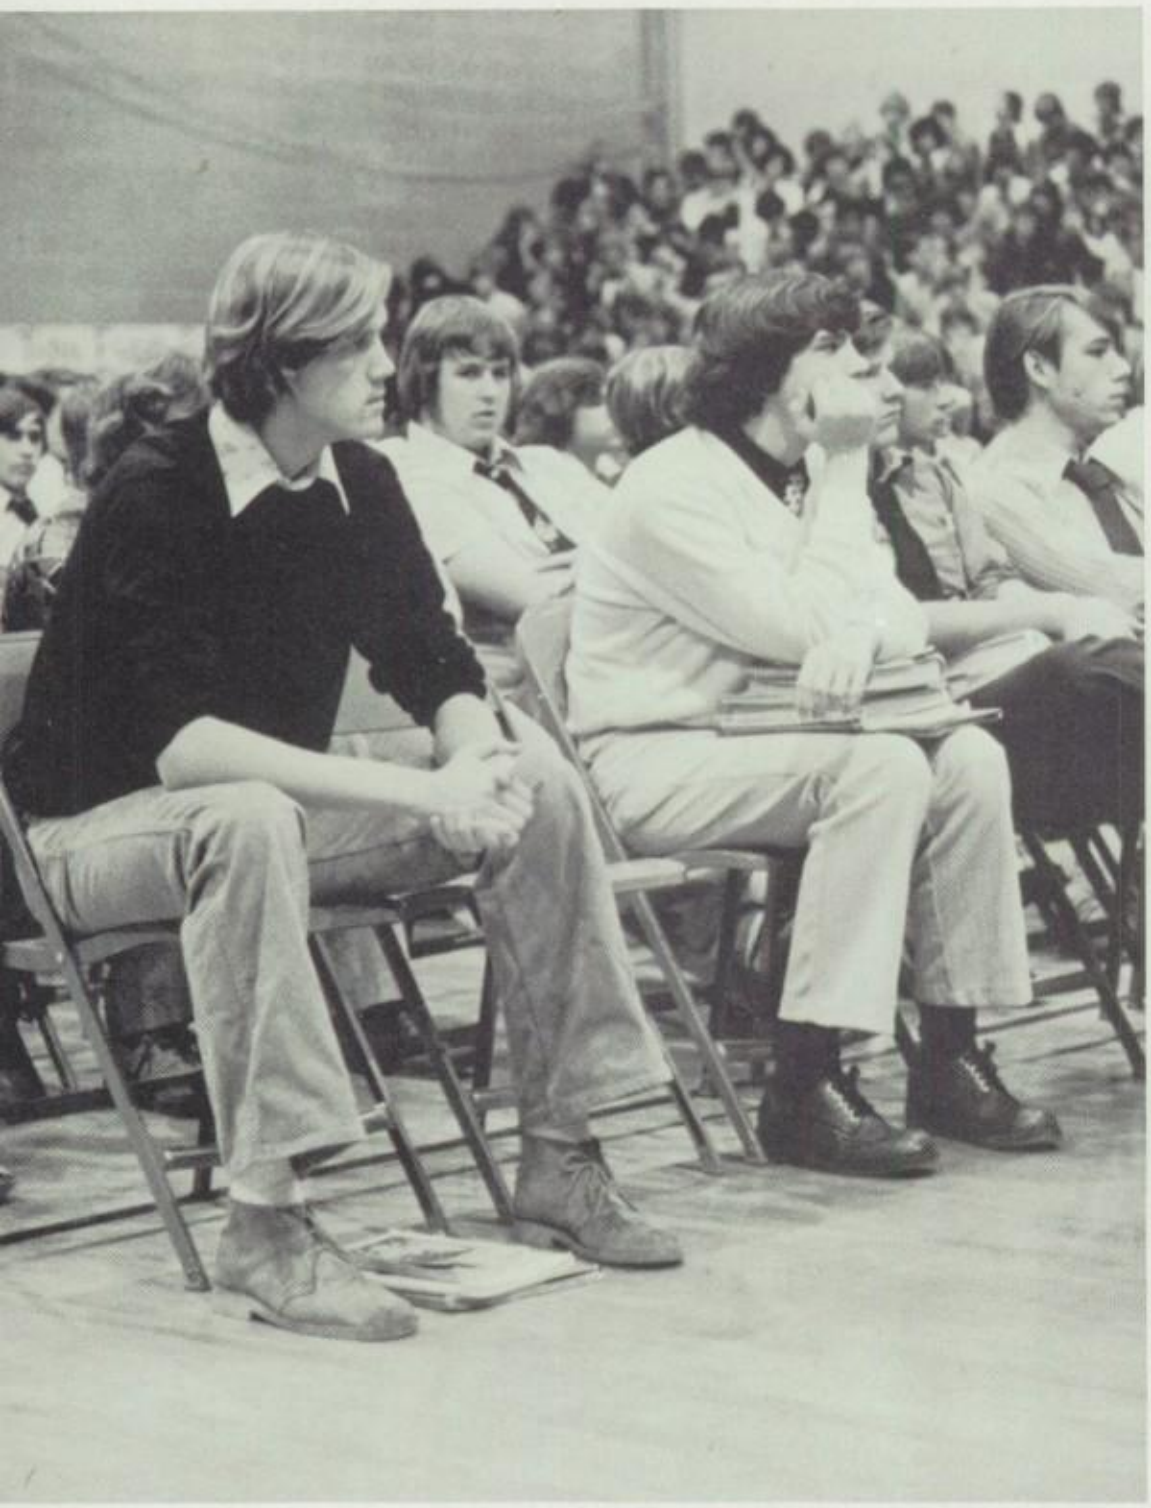
Cultural Assemblies

An important aspect of education at Moeller is student exposure to various fields and areas of interest outside the classroom. Along with field trips, the school provides outside-the-classroom education through its cultural assemblies.

The Moeller Student Government has set up a committee for the sole purpose of providing these assemblies. This year the Assemblies Committee was headed by Sammy Davis, Jr., who did an excellent job attracting talented people to present their special skills and knowledge. There were four such assemblies this year.

Mr. Ken Overmeier, a former Moeller student, came to talk about mind-control and Extra-Sensory Perception. He spoke about brain waves, brain potential, dreams, E.S.P., and how simple mind technique can improve your memory. The students had many questions for Mr. Overmeier concerning this very interesting field.

A team of three black belts from the Tien Sun Wusu School of Martial Arts in Silverton came to give a demonstration of Kung Fu. They showed practice techniques with weapons, as well as hand-to-hand techniques. The history of the development of Kung Fu and what demands and training are required of such masters were also presented. The students will long remember the saber demonstration and the rough sparing match.



Cultural Assemblies

A very-talented concert band from Chaminade-Julienne High School in Dayton performed for us in the third assembly. This award-winning band used the Moog Synthesizer, as well as more conventional instruments in playing both classical and contemporary pieces. The Moeller students were much impressed by the excellent performance given, and showed their appreciation with a standing ovation.

In the final assembly, a choral group from Marydale College in Iowa, which had performed here two years previous, returned to play before another appreciative audience. This group sang both old and modern songs. The assembly ran way past 2:30 as the group ended with the girls bumping with some students and faculty members to the Big Band sound of "That's the Way I Like It."

The Moeller students found this year's assemblies very enjoyable and informative. We appreciate those who took time to perform for us and to instruct us.

Dances

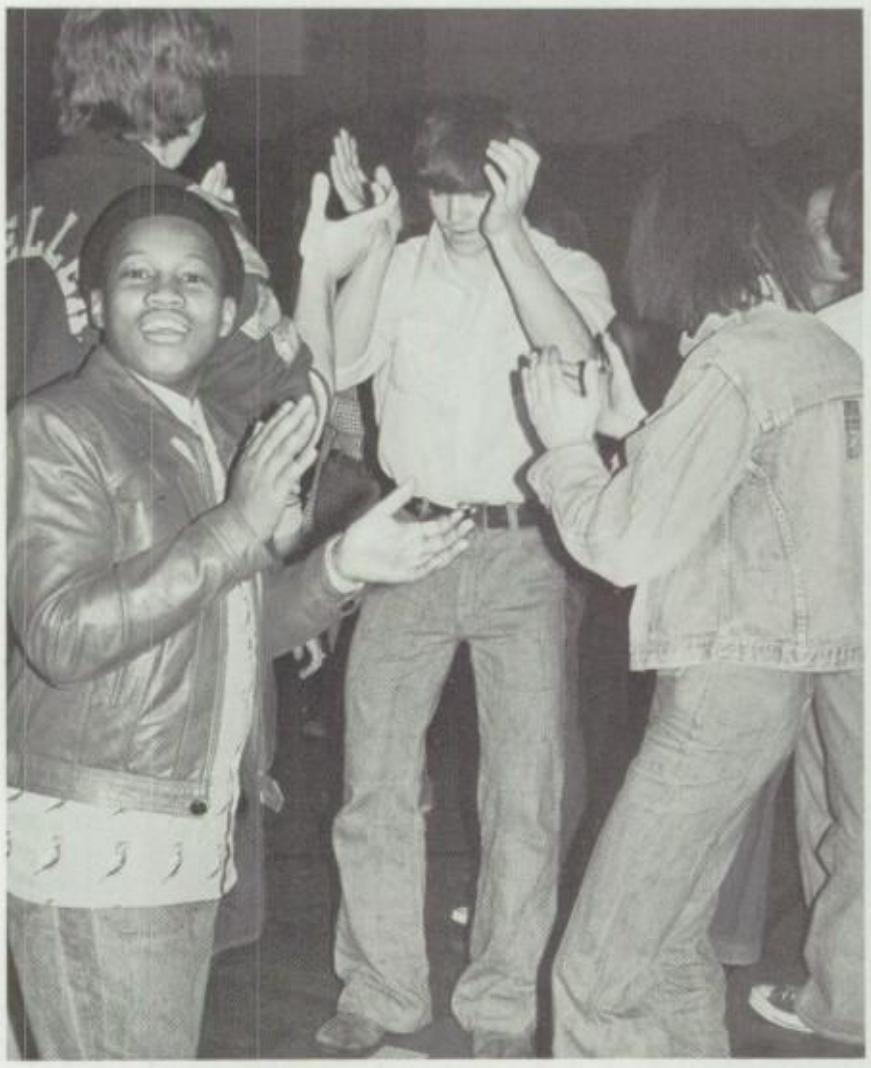
Throughout the year the Moeller Student Government sponsors informal dances to raise revenue. Moeller has won a reputation for excellent dances. We have the best and most numerous dances in the city.

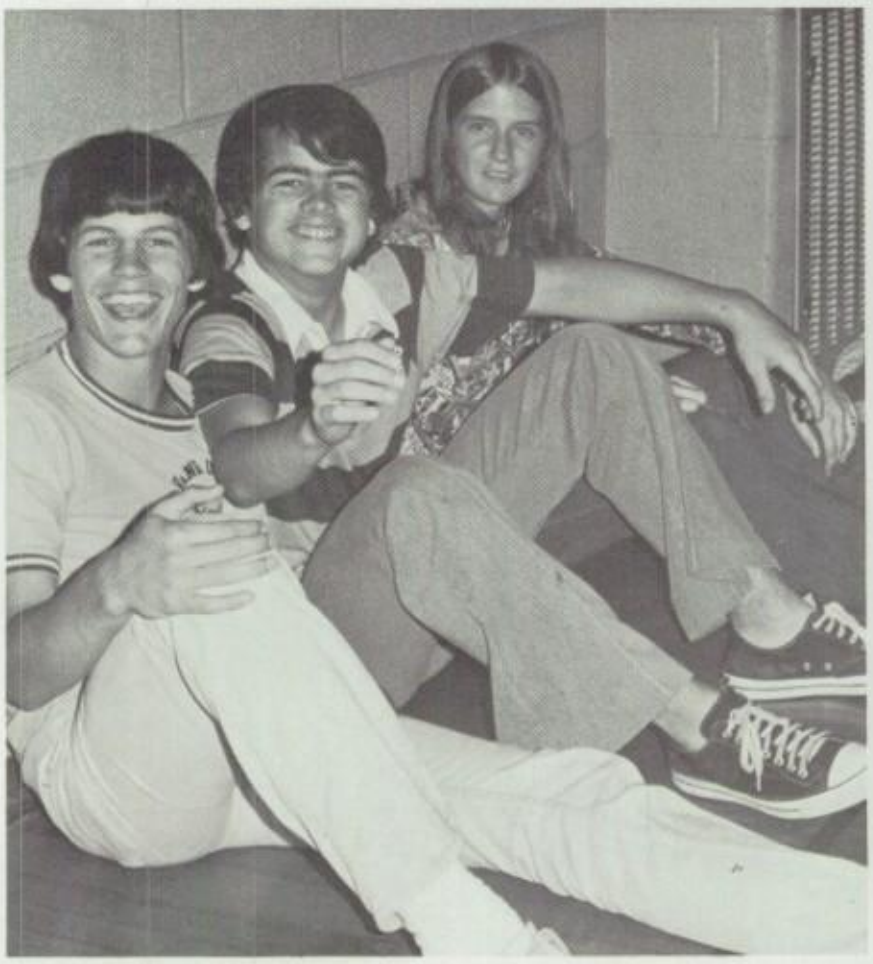
This year was no exception as Dance Committee chairmen Mike Burns and John Rozzi put together some of the best dances ever. Moderator Bro. Robert Flaherty, S.M., and the students and faculty worked together to make the dances a great success.

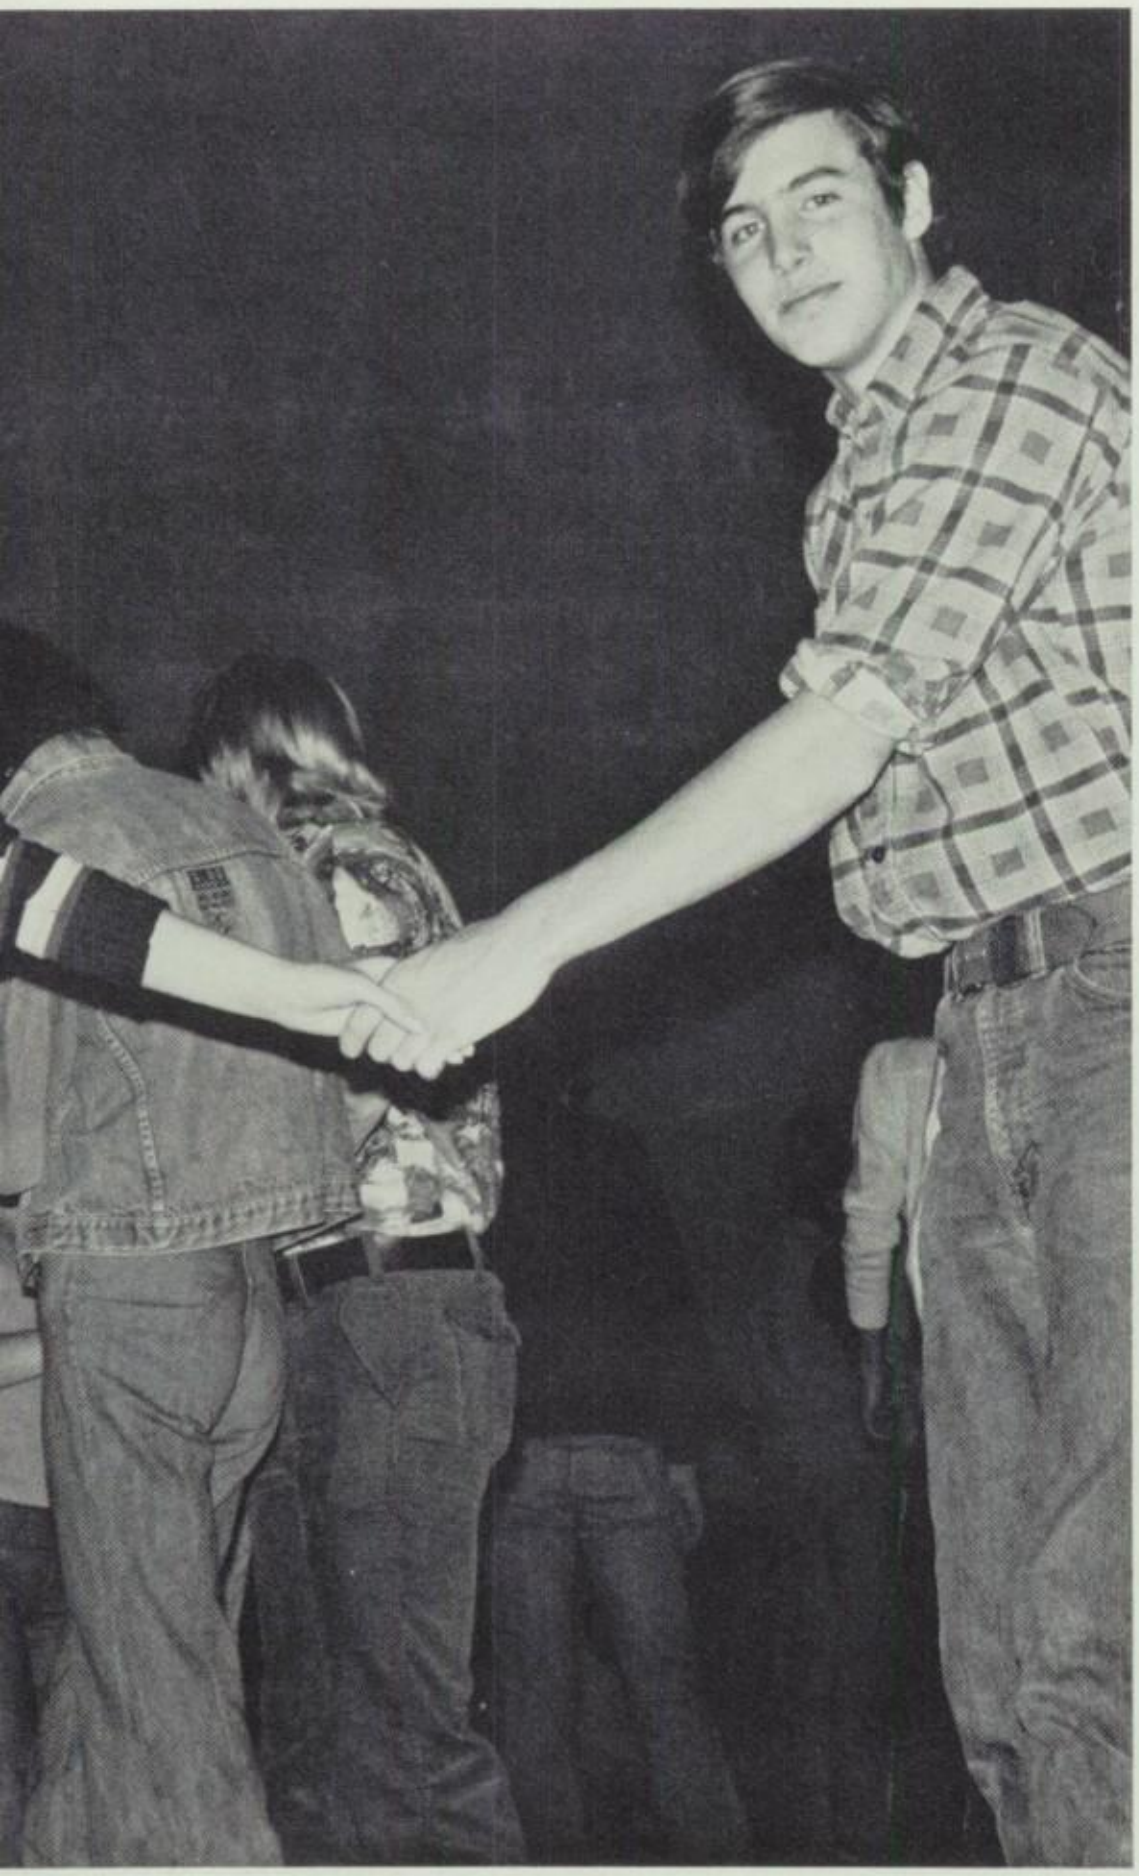
Three nationally prominent bands — Starstruck, Exile, and Roger and the Human Body — performed at Moeller filling the gym to capacity. Local favorite Blue Stone Ivory came to give their farewell performance at the school where they began. Other locally prominent bands played at our dances which drew many students not only from Moeller, but also from most other schools in the area.

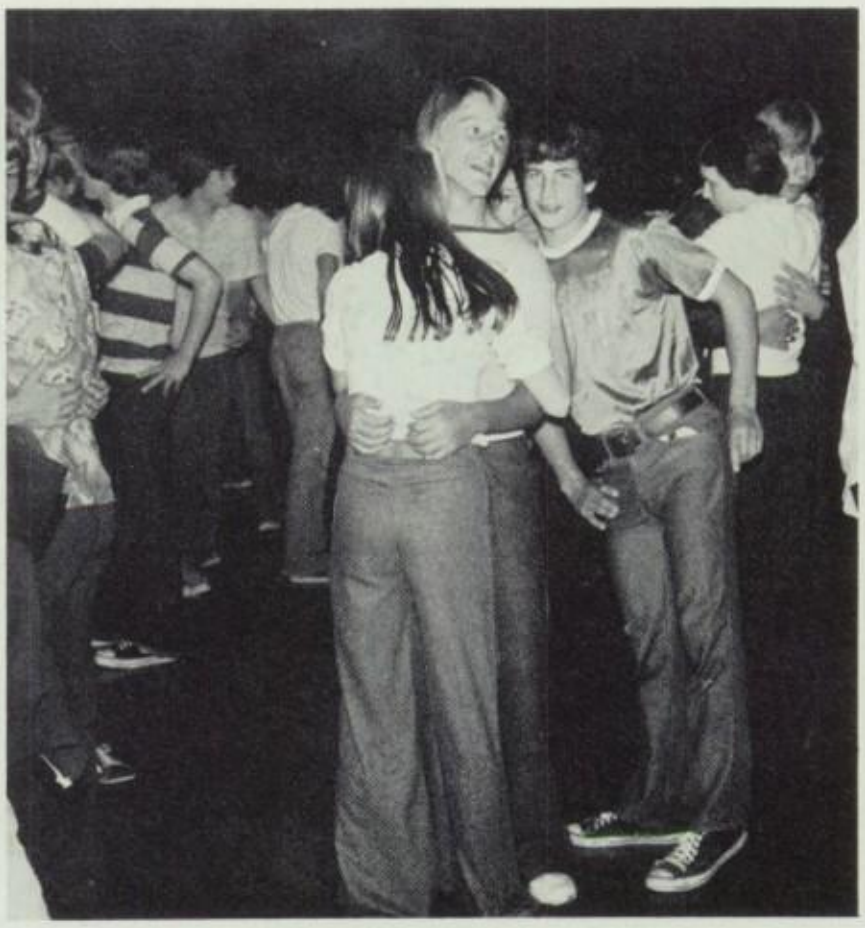
Because of these dances our Student Government was able to provide funds for the various clubs, organizations and projects at Moeller.

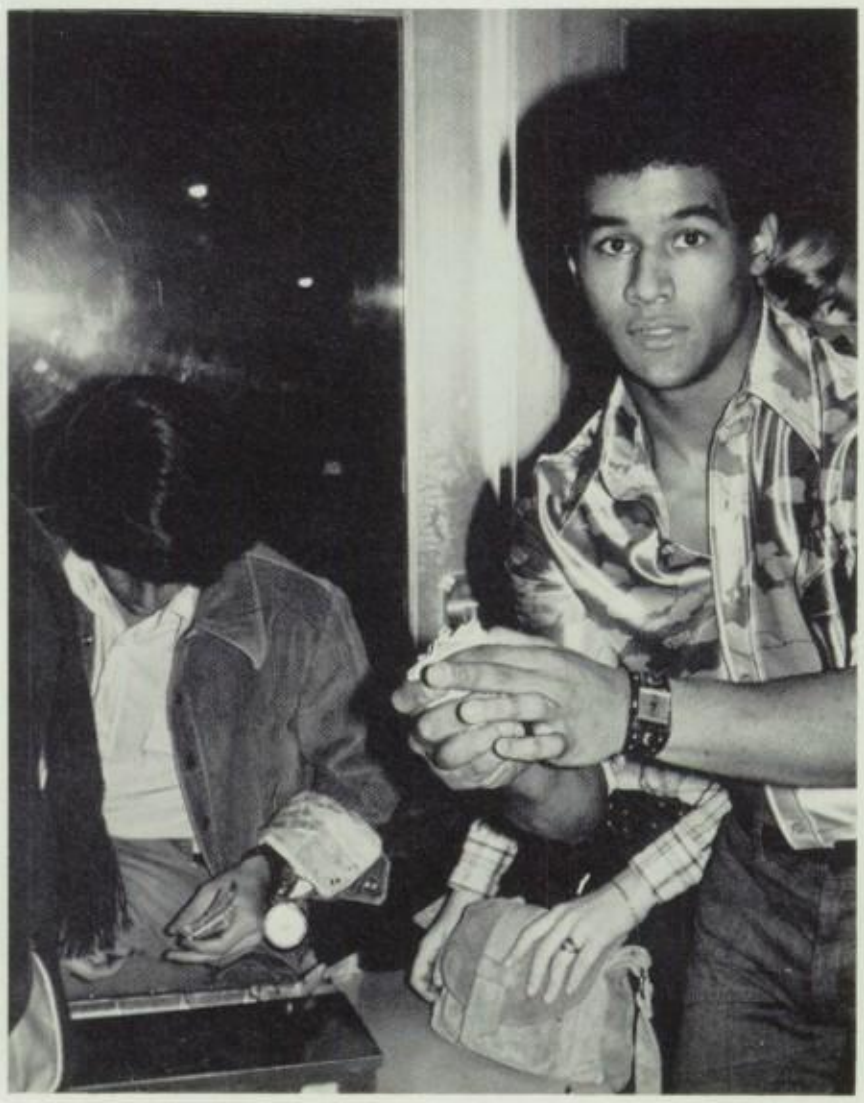
Mike Burns, John Rozzi, and all those students and faculty members connected with the dances are to be commended for their work which was very beneficial to Moeller and the student body.











Sports Banquets

Each year Moeller athletes are honored at the end of the sports season at a banquet. It is here that letters, patches and special awards are given for the players' hard work and performances. Each coach summarizes the year in a short speech and presents the players on his team with their awards. Drinks and snacks are served at each banquet to add to the festivity.

There were four such banquets this year — the Football Banquet; the Fall Sports Banquet for soccer, golf and cross country; the Winter Sports Banquet for basketball, wrestling and swimming; and the Spring Sports Banquet for track, baseball and tennis.

This year, as usual, the largest banquet was the Football Banquet. The four-and-a-half hours of the celebration were spent in moments of glory — as when the G.C.L. trophy was presented —, or in moments of laughter — as when Mr. Ledford, Moeller's answer to Don Rickles, kidded about the donated cookies. Coach Faust even did the "Higgie Jig" he promised he would do in Moeller won the State Championship.

All the players left for home with boxes full of trophies, T-shirts and other awards only after Moeller announced its new permanent fifth co-captain — Saint Jude.

The Fall Banquet was centered on the success of the golf team, while the Winter Banquet was enlivened by Mr. Parker's giving out his little known facts about the Moeller matmen.

Baseball, track and tennis had much to celebrate in their banquet for all their seasons were successful.

The Miser
May 7, 8, 9

On May 7, 8, and 9, the Moeller Drama Club presented its production of Moliere's THE MISER. The play was directed by Bro. Elmer Lange, S.M. The miser was played by Sammy Davis, Jr. Other Moeller students and girls from Mount Notre Dame and Ursuline Academy joined Sammy in this excellent production.

Work on the play began in January with Bro. Lange and Mike Burns, who played the conniving LaFleche, adapting the script of the sixteenth century play. Since rehearsal began later than usual, all those involved with the production had to work hard because of limited time.

All three performances were near perfection. Sammy successfully snarled his way into the hearts of every audience teaching them the hard fact that money brings worries.

Mike Burns and freshman Dennis Murphy, who played the comical cook and coachman, added to the miser's worry and the audience's laughter. Each of these fine actors won recognition for his talent. Sammy Davis unanimously won the Best Actor award, while Mike and Dennis shared the Best Supporting Actor's honor.

Bro. Lange is to be commended for his enthusiasm in directing the performances. The stars, the understudies and the crew all share in the satisfaction of being part of a top production, part of a most memorable play.

Junior Dinner Date Dance March 27,

The most important social event of the year for the juniors is traditionally the Junior Dinner Date Dance.

This year the dance was held on Saturday, March 27, at the Hilton Inn in Sharonville. Music for the occasion was provided by Blue Stone Ivory.

The Dance Committee, headed by Dave Condeni and Karl Woods, along with Junior Moderator, Mr. Dan Ledford, worked very hard to make the dance a success.

The evening turned out to be enjoyable, although many intelligent members of the junior class spent considerable time at the coffee table.

Many could only watch as John Budde, king of the dance floor, styled the ladies with his flashy moves. He was congratulated by both the students and the band at the end of the affair.

Awards Night

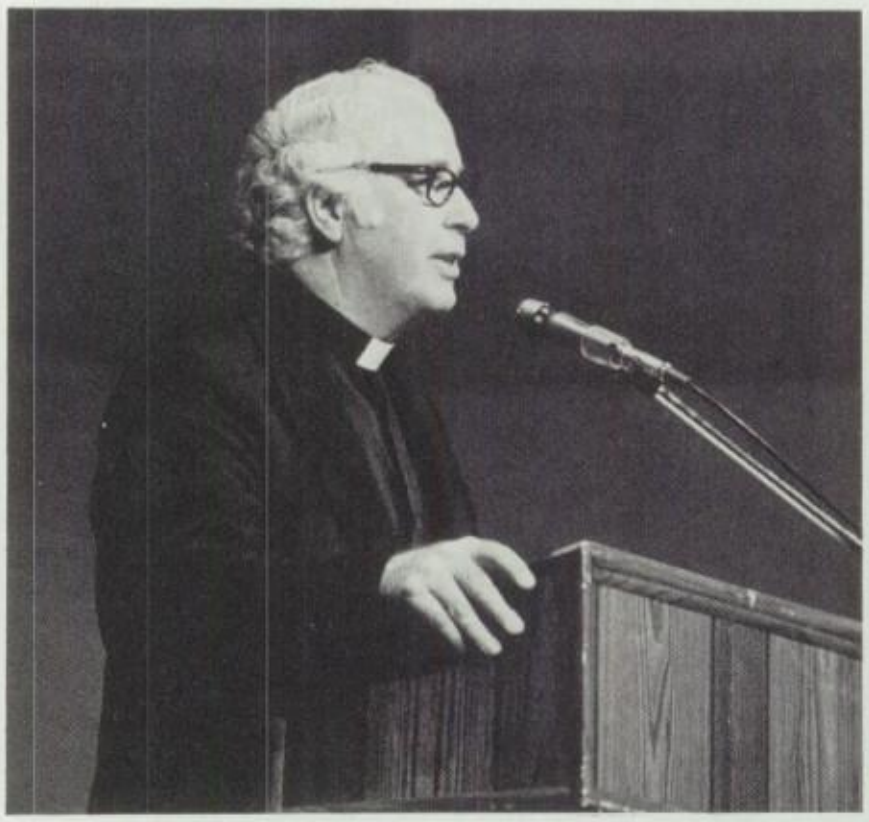
It is a tradition that near the end of the school year, the outstanding Moeller scholars are honored for their achievements at the annual Awards Night ceremony. In this ceremony various certificates, letters and trophies are given for academic achievement, participation in extra-curricular activities, special awards and scholarships.

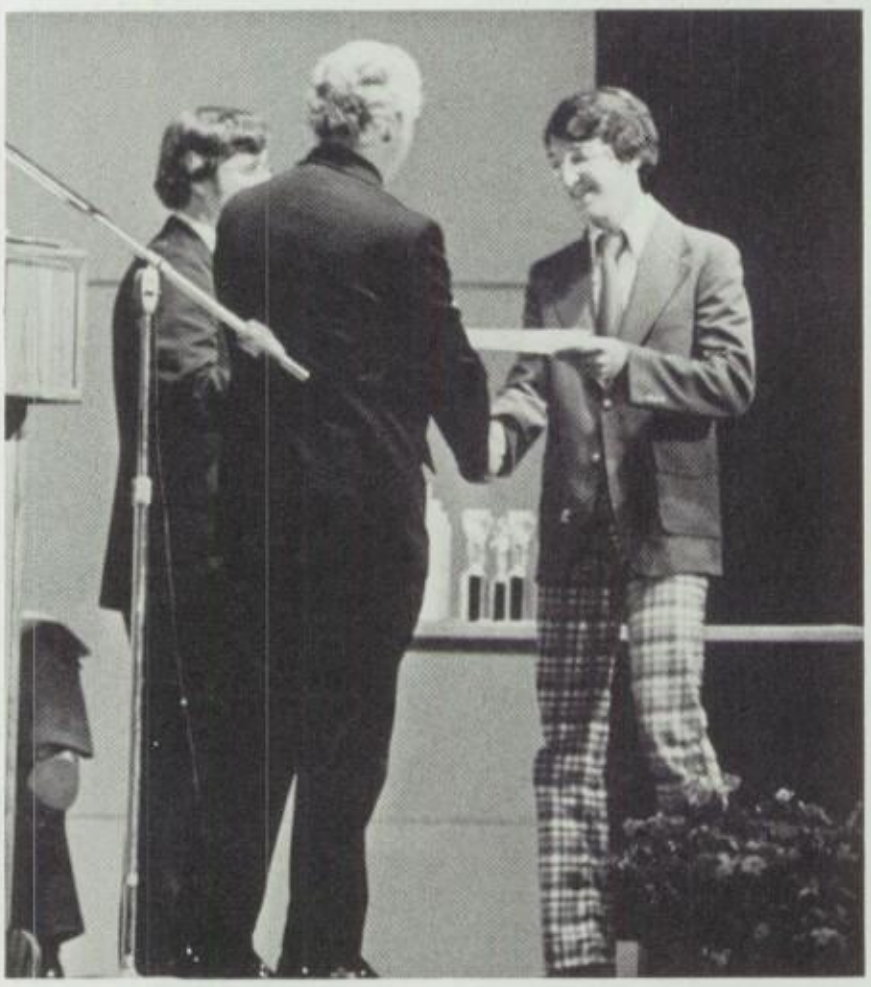
The Valedictorian and Salutatorian trophies are also given. This year's awards went to Rob Bergen and Jeff Schuler. At this ceremony too the newly elected executive officers of the Student Government, Mark Schlueter and Billy Long, took their Oath of Office as the incumbents, F.J. Brosnan and Steve Melink, passed on the gavel to them.

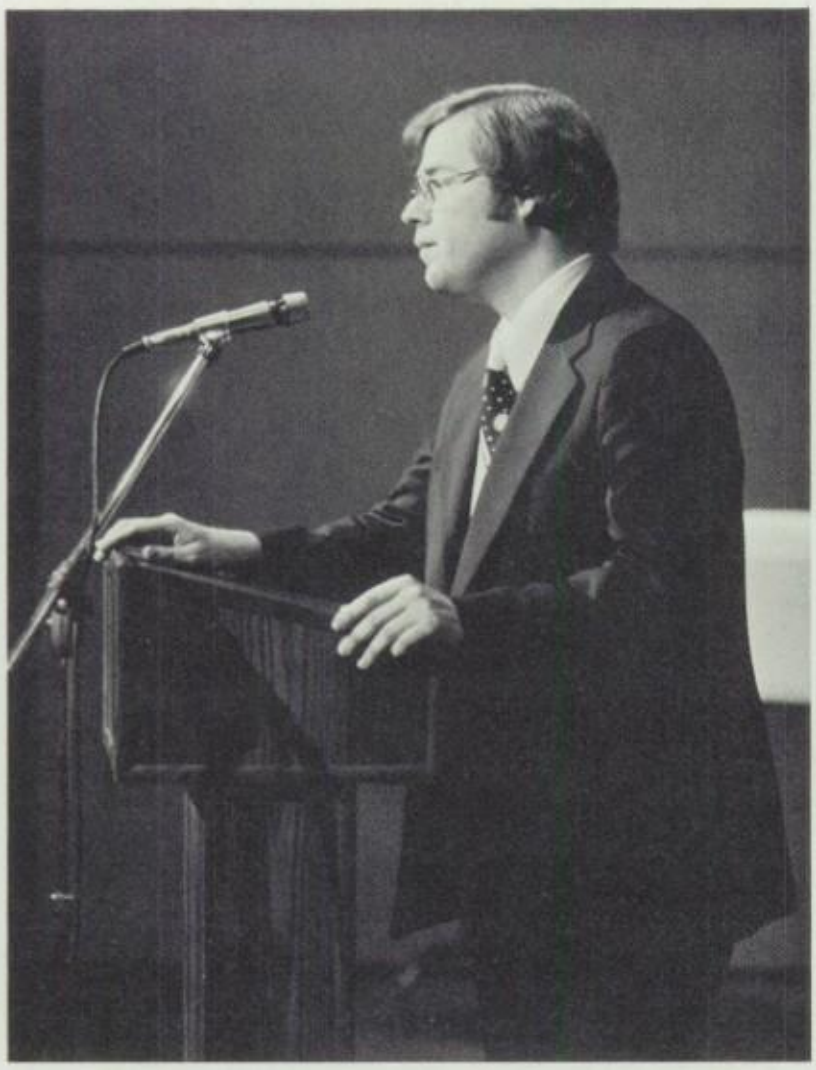
Two years ago Moeller began presenting letters for those students who made the First Honors roll for the first three quarters of the year in the same manner that letters are given for athletics. This year ninety-eight Moeller men were so honored for their outstanding achievements.

The Awards Night is also a time for the school to stop and thank the many people who made the school a total learning environment, such as the Divisional Moderators: Bro. Dennis Gatto, S.M. (seniors), Mr. Daniel Ledford (juniors), Bro. Robert Waker, S.M. (sophomores), Mr. Edward Meosky (freshmen), and all the clubs and organizations whose members sacrificed time and energy to better themselves and their school.

The evening was an enjoyable occasion. Many students received awards for what they had done throughout the year. The list of awards follows the pictures taken that evening in the Awards Program.







Twelfth Annual Awards Night

Tuesday May 18, 1976

Senior Special Awards

Four Year Excellence in Art ..... Kenneth C. Adkins

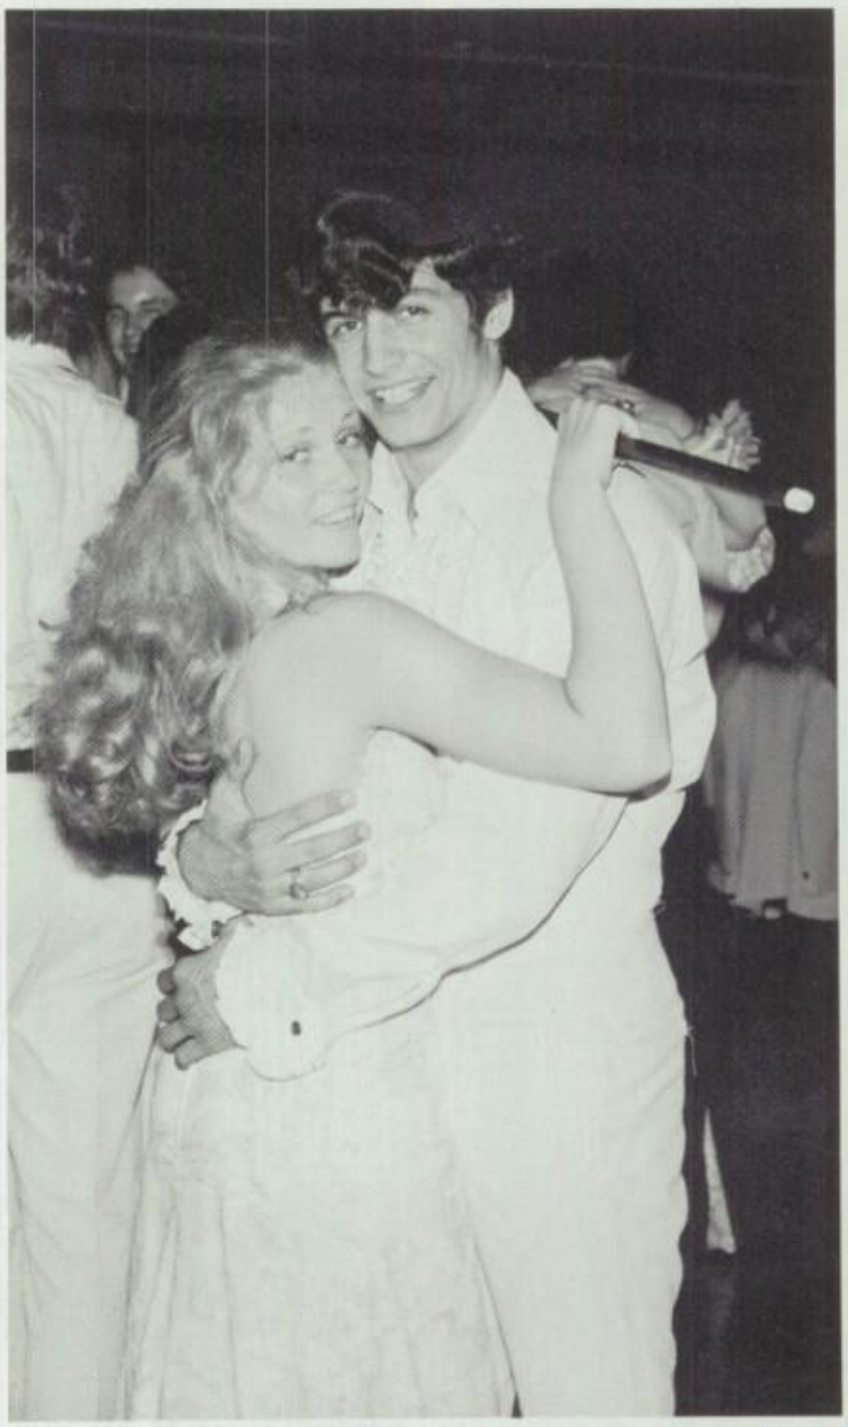
Senior Prom

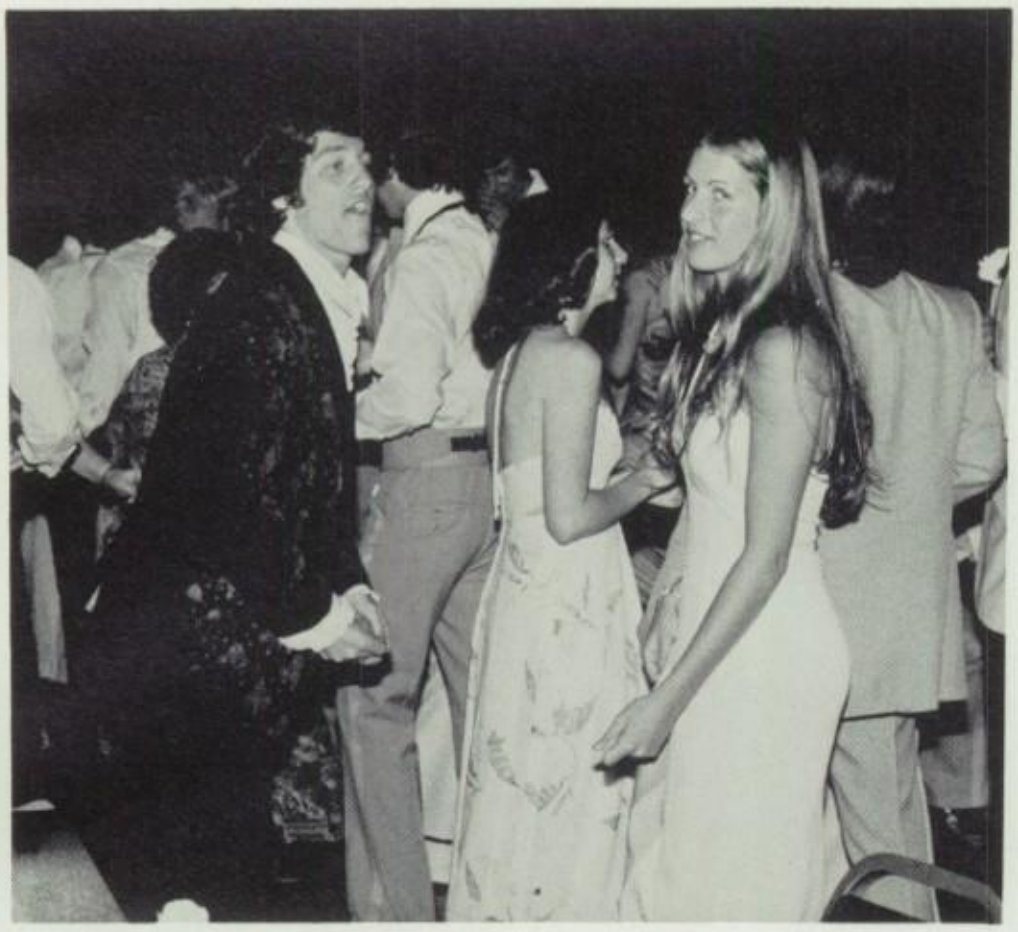
This year's senior class was small in number, but big in heart. Its list of achievements can be matched against any other class. The seniors were a quiet group, but impressive in everything they tried.

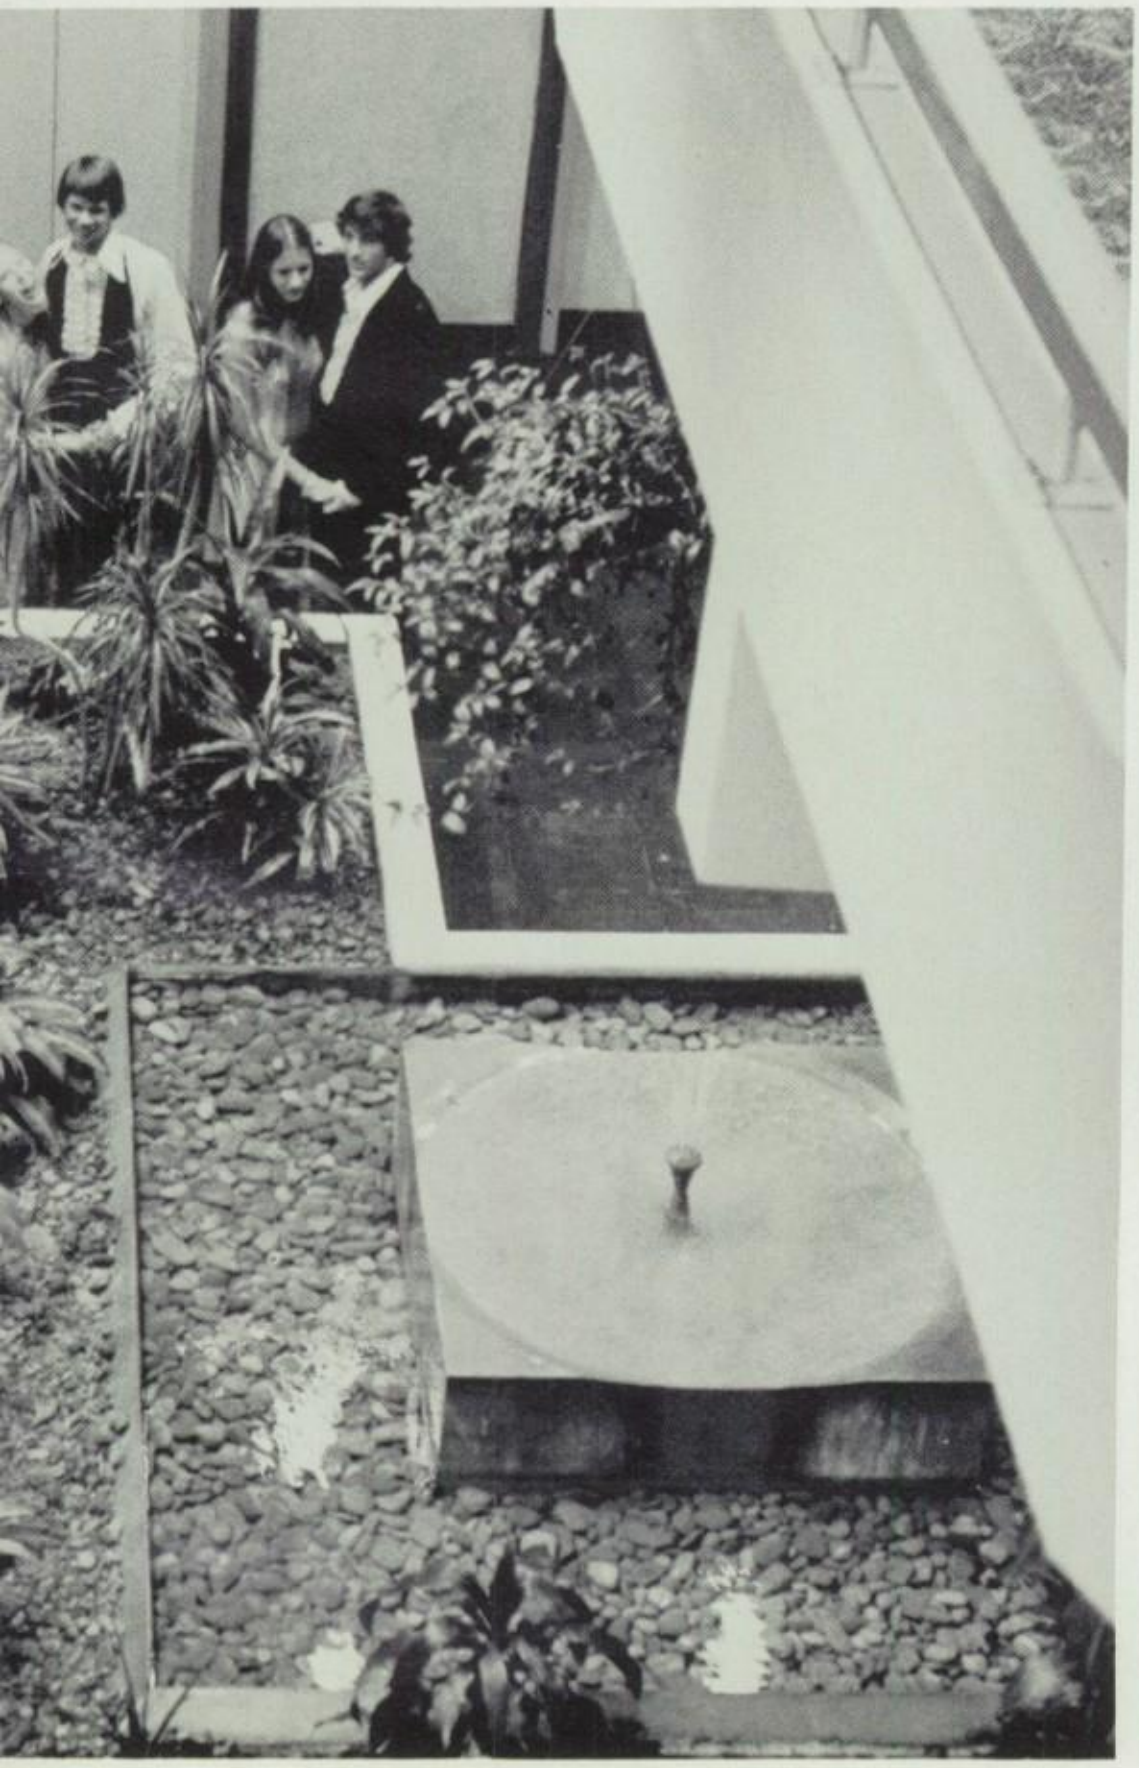
The Humanities class, under the dedicated leadership of Mr. John Massarella, raised funds through book recycling and bake sales to help the school's appearance with a mural in the hallway leading to the cafeteria and the Memorial Wall in the school chapel.

Other members of the senior class dedicated time and energy to the Children's Hospital Christmas Project where students designed, built and distributed wooden toys and games, while other seniors played and sang Christmas carols.

The seniors provided the needed leadership in Student Government and its various committees that functioned so smoothly and so well this past year. Their spirit was contagious in support of the various athletic and extra-curricular activities during the school year. This class won for itself, and for all of us, the honor of the State Football Championship. The seniors always believed that this was the year, but their cheering and their strong support and leadership proved the talisman in making the dream a reality.







Senior Prom April 23

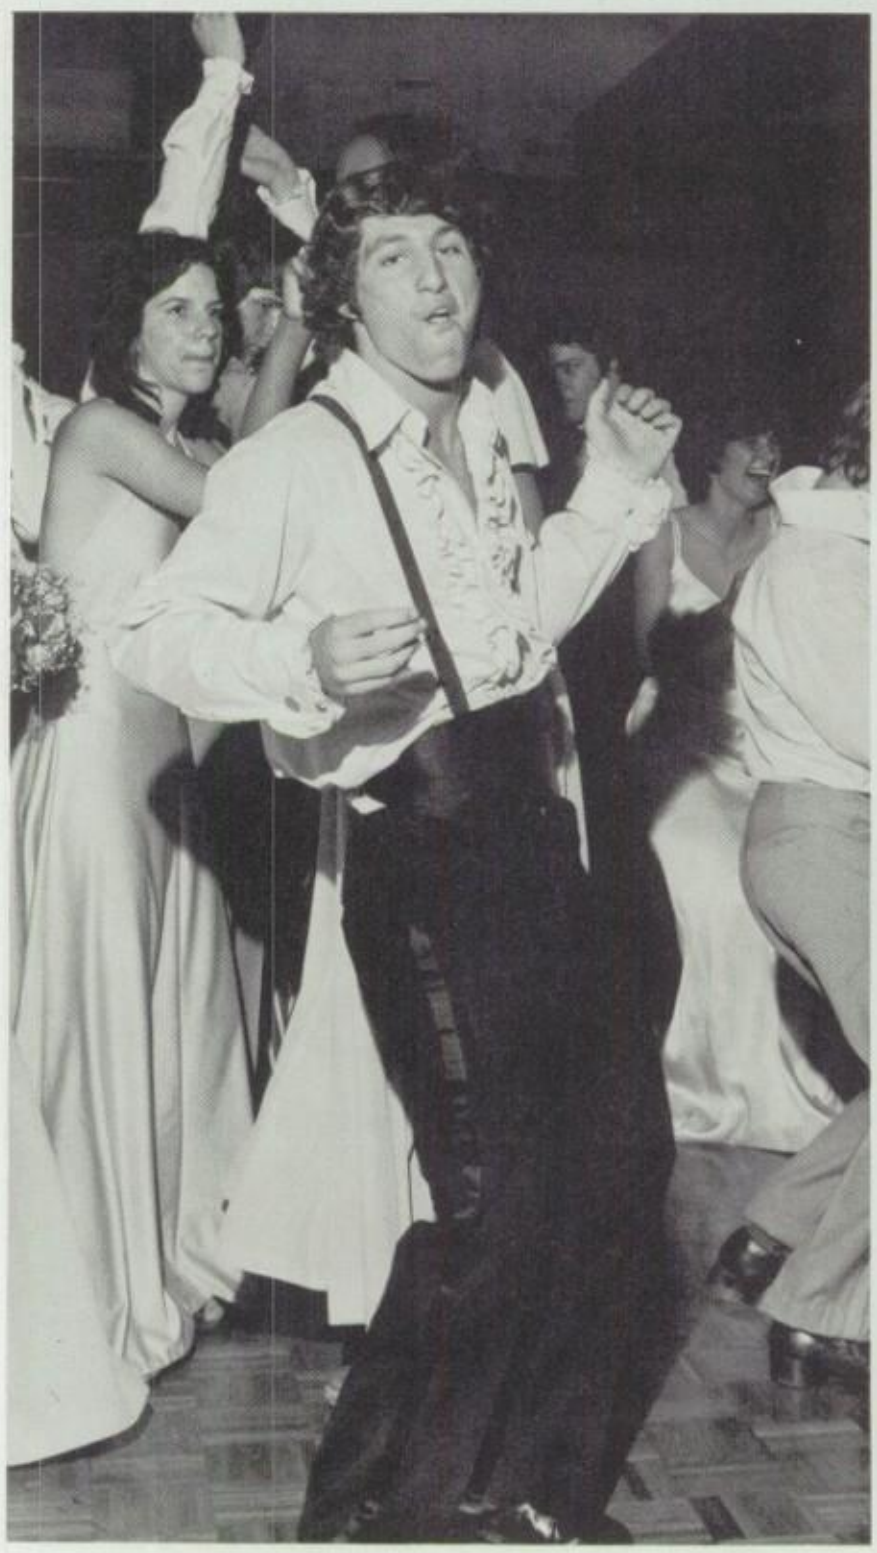
The Prom Committee members — John Crone, John Bauer, Tim Maloney and John Tappel — spent many hours along with Bro. Dennis Gatto, S.M., senior class moderator, planning and preparing for what was to be one of the more successful and enjoyable events of the school year.

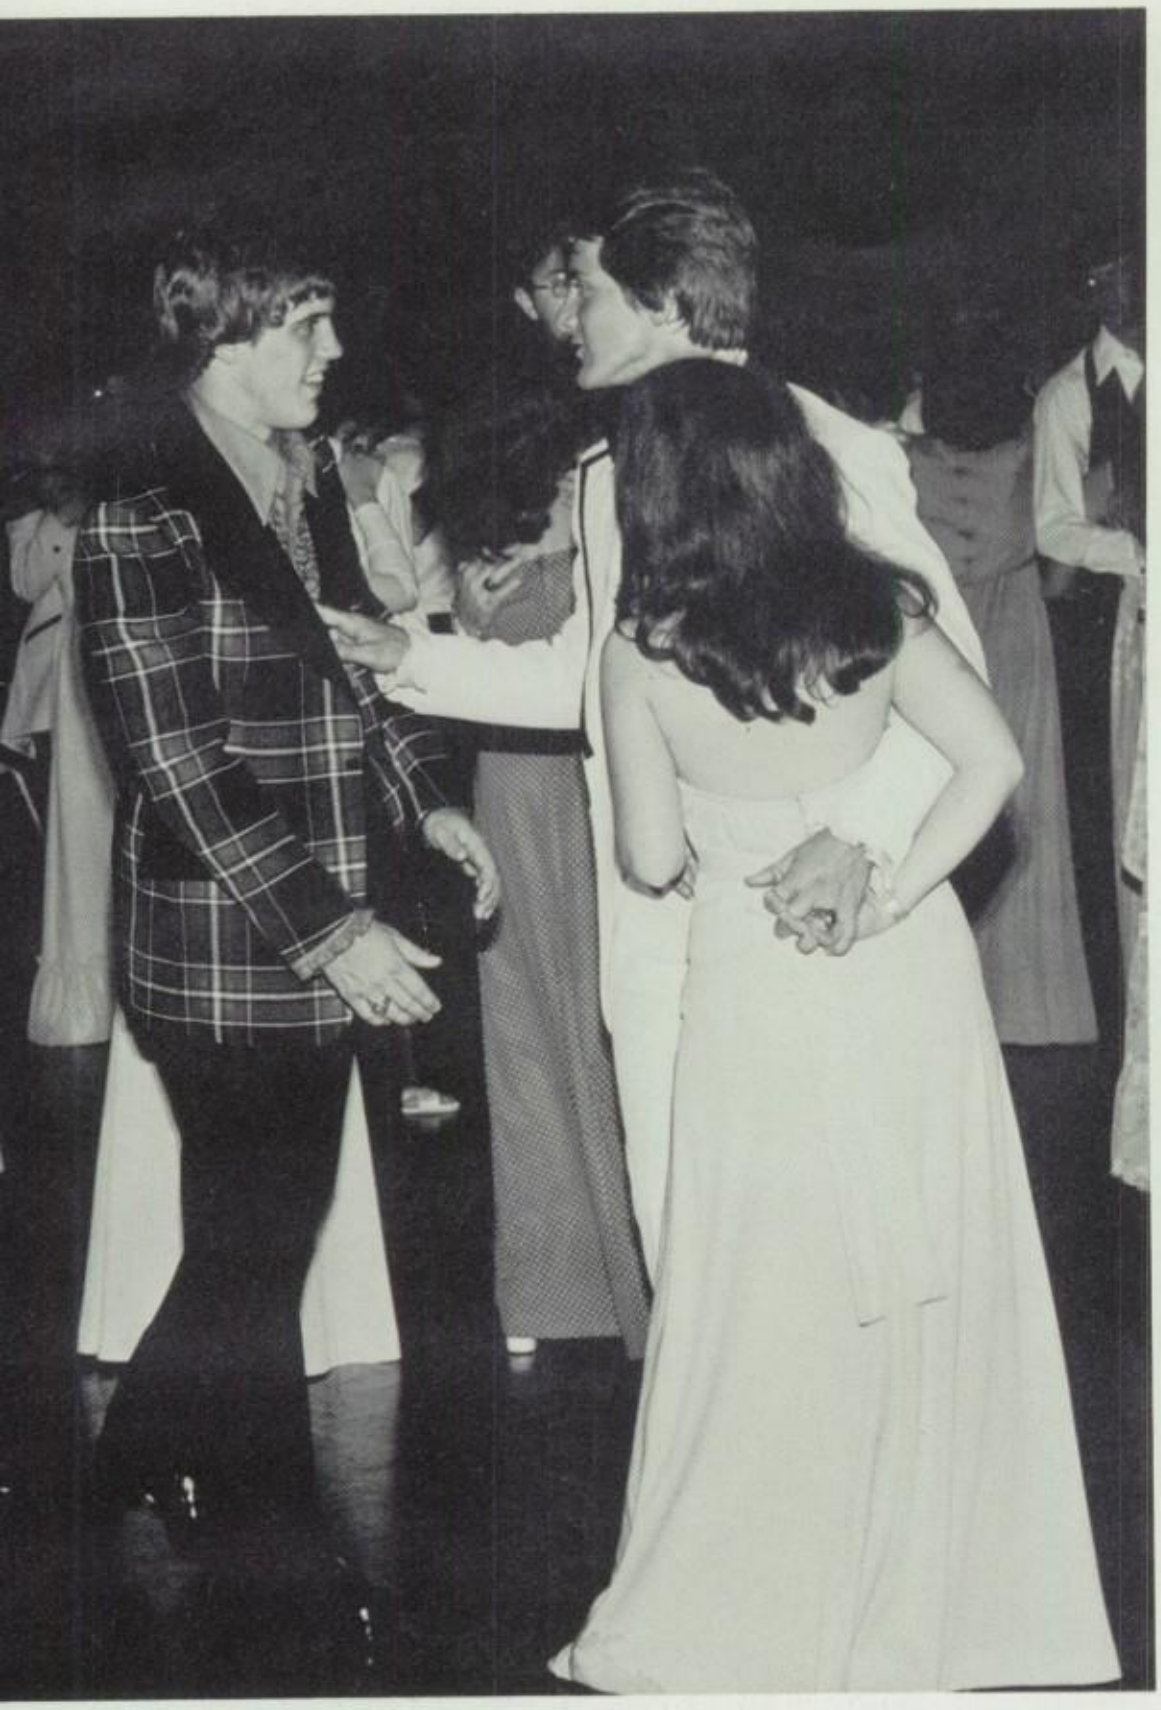
The committee's wish to keep prom bids reasonable forced them to creatively seek ways to raise money. A car wash and a special discount at Long John Silver's were part of that plan.

The prom itself was held on April 23 at the Stouffer's Inn downtown. The evening began with a buffet style dinner. After the meal, couples moved to the dance floor where the Wes Neil orchestra provided the music for dancing.

As the night progressed, many seniors found it better to set aside their brightly colored coats and unclipe their ties to ready themselves for some bumping and boogiein'.

When the last song was played and the prom came to an end, no one seemed to grasp totally that it was all over. The evening thus far had been a good way to salute a great senior year. But there were still parties to go to — undoubtedly more music and more dancing. It was a night — and a year — to be remembered.





Baccalaureate
May 24, 1976

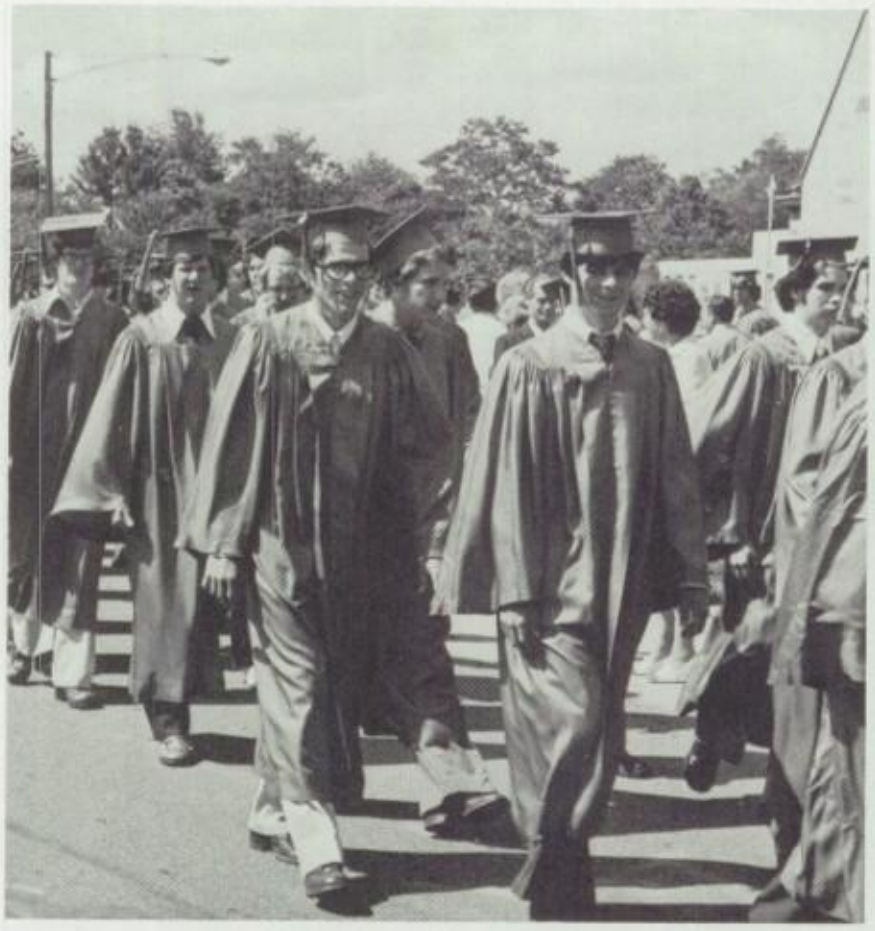
On Monday morning, May 24, the Class of '76 moved as a unit to All Saints Church for the last time. The occasion was to celebrate the Baccalaureate Mass and thank God for the last four years together.

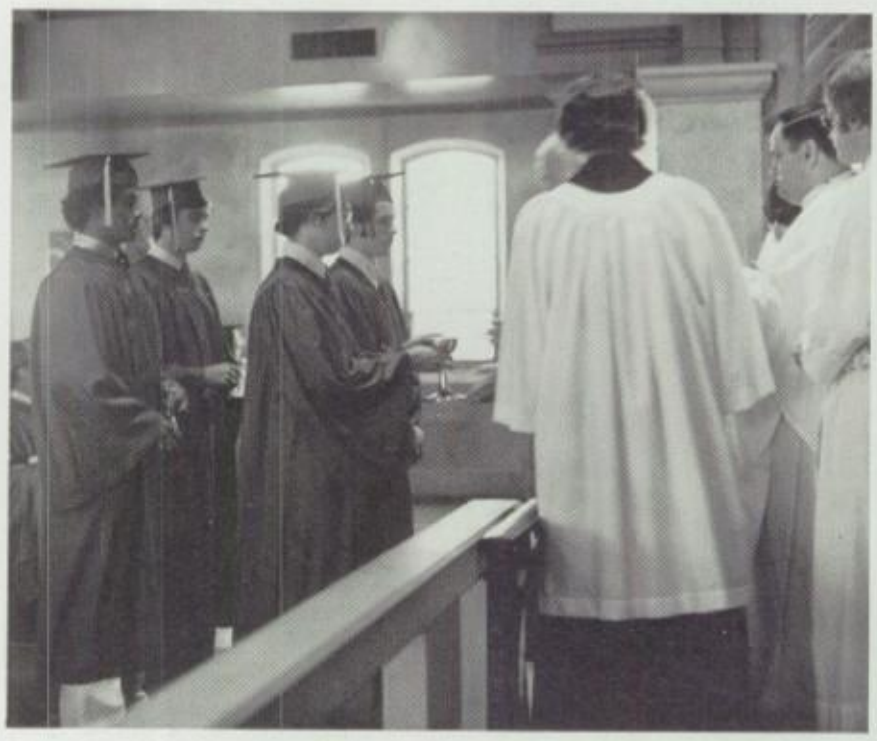
The seniors, wearing cap and gown, moved in procession from the school on a beautiful sunny morning. Parents were waiting and snapping pictures as the seniors walked across the lot.

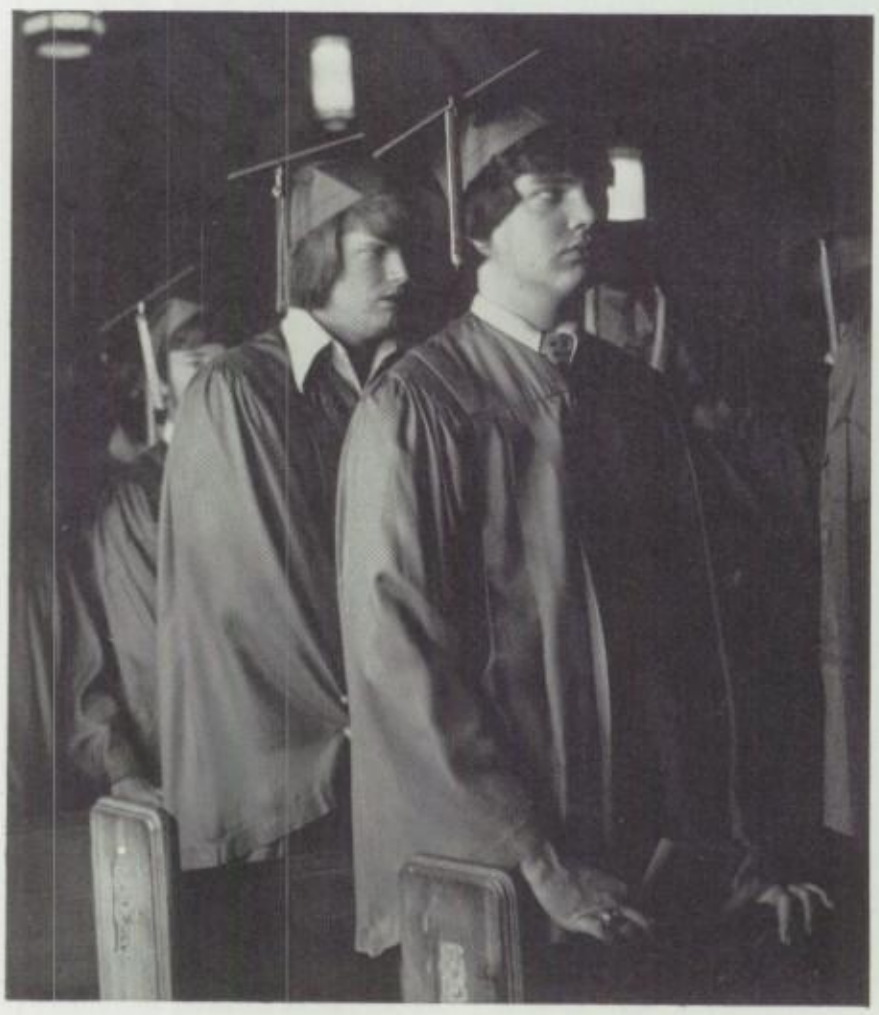
Bro. Dennis Gatto, S.M., assembled a choir to sing at the Mass concelebrated by Fr. Lawrence Krusling, Fr. Joseph Paolozzi, S.M., Fr. Robert Marine and Fr. Thomas Hopp. The First Reading was read by John Crone, Steve Melink read the Second Reading, and Sammy Davis, Jr., gave the Prayer of the Faithful.

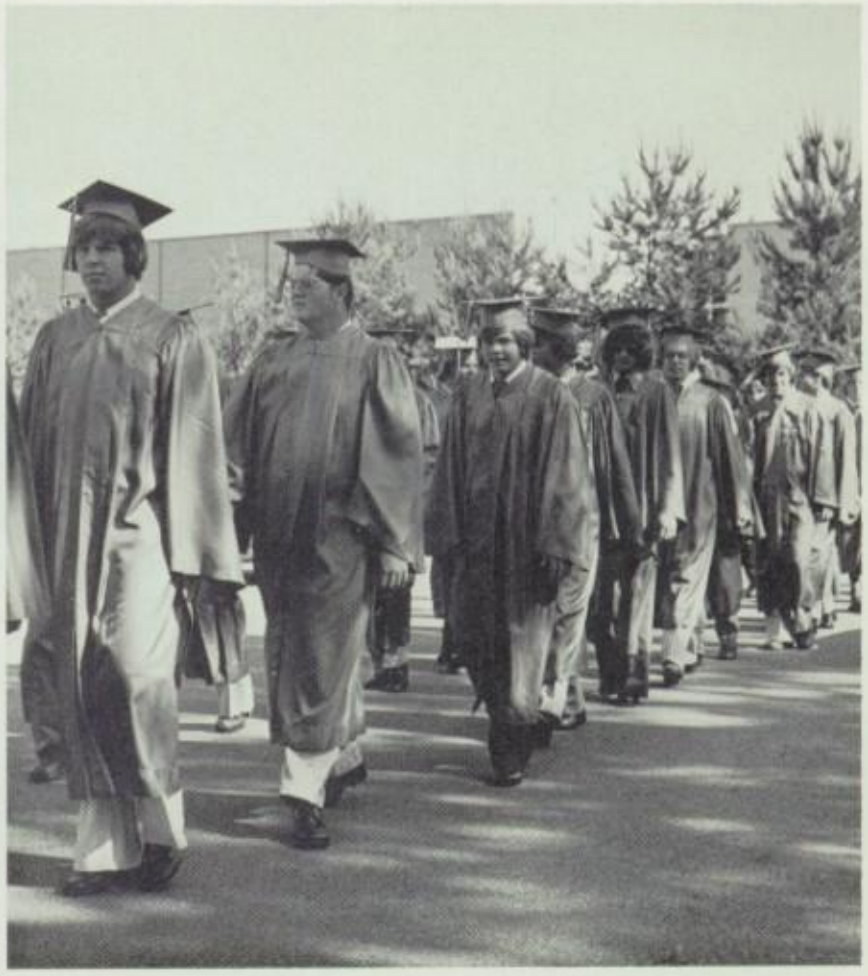
The chief celebrant and homilist, Fr. Krusling, reminded the seniors that the gift of wisdom was the touchstone of a true education.

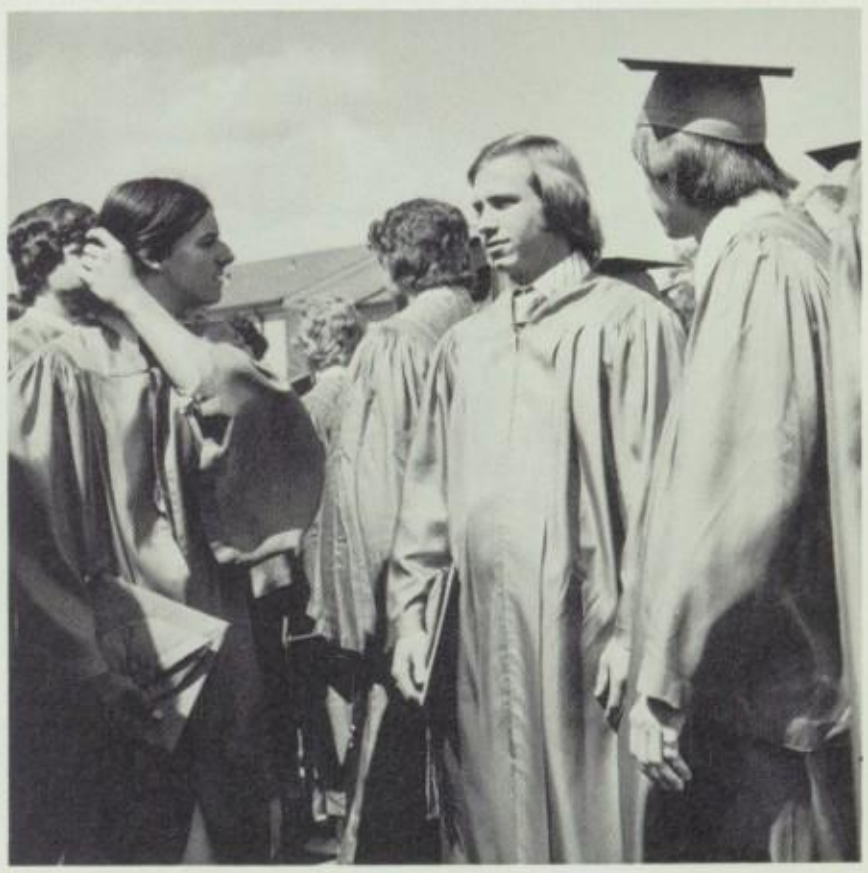
The Mass ended with the hymn "Sing a New Song Unto the Lord." The seniors then moved out of the church and gathered briefly on the lawn before returning home to prepare for Graduation later that day.











Graduation
May 24, 1976

Commencement exercises for the 203 graduating seniors of the class of 1976 were held at the Landmark Baptist Temple. Mr. Daniel Ledford and Bro. Charles Wanda, S.M., acted as Grand Marshals leading the solemn procession of seniors and faculty.

The class was addressed by Bishop Daniel Pilarczyk, Archdiocesean Vicar of Education. The Bishop outlined two futuristic scenarios of the world: one negative, the other positive. He exhorted the class to rise to the challenge of the world which faced them, and to destroy negativism and apathy wherever they were found.

Jeffrey Schuler was class Salutatorian, while Rob Bergen gave the Valedictorian speech. Jeff delivered a speech filled with emotion. Rob presented a light-hearted thank-you to parents and all those who helped us along our way.

Bro. John Habjan, S.M., Dean of Academics, presented the graduates to Principal Rev. Lawrence Krusling who conferred the diplomas. The big moment came as Ralph Zinnecker, the last-called student received his diploma and the Class of '76 moved their tassels from right to left signifying their graduation.

After returning the caps and gowns, the graduates gathered for a last time to exchange congratulations and best wishes. It was all over-time to embark on a new venture.

The 1976 Templar Staff would like to thank:

Mr. Dick Chiara whose help and technical advice made the yearbook a reality.
Mr. Pat McKenrick, Mr. Jerry Gold, Mr. Al Hartman and all at Executive Studios for their quality work.
Mr. Greg Stanford, who while learning his trade well, added much to the yearbooks photography.
Bro. Elmer Lange, S.M., for editing all the copy in this yearbook.
Fr. Krusling, Bro. Habjan, S.M., and Fr. Marine, who so graciously cooperated with the yearbook staff.
Mrs. Woods and Mrs. Hanley, who unselfishly devoted time and resources to the Templar.
Bro Wanda and the Marianist community who showed much hospitality to the yearbook staff while using their home.
The Faculty, for their greatly appreciated cooperation.
The Photography Club.
All those persons responsible for ads and patrons, whose financial aid helped the yearbook to go above the ordinary.
American Yearbook for their much appreciated skills.

A special thanks to the 1976 Student Government whose generosity allowed the Templar to purchase a new camera.

The 1976 Templar Staff would like to congratulate Fr. Lawrence Krusling for his 25th anniversary as a priest, Fr. Joseph Palozzi for his 25th anniversary as a Marianist, and Moeller High School for its 15th anniversary as a Catholic High School.

Finally, the 1976 Templar Staff wishes to salute BROTHER JOSEPH P. TEDESCO, S.M., moderator of this year's Templar, by dedicating the 1976 Templar to him.

Bro. Tedesco's hard work and amazing generosity of time made this yearbook possible. Bro. Tedesco, the entire Templar Staff thanks you!

The following men of the 1976 Templar Staff put in long hours of unnoticed work. Great thanks is owed to them for without their hard work there would not have been a 1976 Templar:

John D. Mettey, Editor in Chief, Sports Editor
Tony White, Assistant Editor, Underclass Editor
Tim J. Flavin, Senior Editor, Ads Manager
Tim P. Nolan, Copy Editor, Social Events Editor
Tom J. Kelly, Faculty Editor
Randy J. Pleiman, Clubs & Organization Editor
Keith Clim, Business Manager
Jim Turney, Art Editor
Bill Bross, Assitant Art Editor
Corky Dellerman, Photography
Mike Hasenfratz, Photography
Ted C. Reilly, Photography
Joe M. Messingschlager, Photography
General Assitants:
Dan Misleh
Andy Frickanice
Marty Lacy
Pat Cravin
Scott Mindrum
Mark Helgeson
